Hi Kate,

I plan on being back by Thursday. Let's plan on 10:00 am unless you hear from me, if that will work well for you. Many thanks. [REDACTED]

I think this should work. I am sending this to [REDACTED] as she was the one that was coming over on Tuesday, to make sure she can adjust her schedule. If it is a problem she will let you know.

Greetings Dr. [REDACTED]

Plant management has requested the final walkthrough and food safety program evaluation for May 30th at the plant in Sgourney, Iowa. Would it be possible to have an EAO accompany us on this final evaluation of this proposed new equine facility? I am assuming we would look to begin around 10 am or so. Thanks very much. [REDACTED]
