Dear Sir:

Services

The Animal and Plant Health Inspection Service (APHIS) enforces the
Animal Welfare Act (7 U.S.C. § 2131 *et seq.*) (AWA) and the regulations
issued thereunder.

4700 River Road
Riverdale MD

A recent APHIS investigation documents alleged violations of the AWA as
described in the enclosed Stipulation Agreement. The AWA authorizes the
Secretary of Agriculture, after providing notice and opportunity for hearing,
to impose civil penalties of up to \$10,000 for each of the violations
documented in our investigation. You may, however, waive your right to a
hearing and settle this matter by: (1) agreeing not to buy, sell, own, or
possess breeding animals; (2) agreeing to permanent disqualification from
obtaining a license; and (3) signing and returning the enclosed Stipulation
Agreement no later than July 29, 2011.

I've attached
a bit of
motivation
for your
consideration
Thank you

Please sign and return the enclosed Stipulation Agreement to the following
