Hi everyone,
I wanted to share some photos of two of the youngest elephants in the Ringling family. These photos of PT and Gunther were taken yesterday during our media tour. The man petting Gunther is WXIA's Wes Sarginson (NBC-Atlanta), who was thoroughly enchanted by these little guys! The woman in the photo is Holly Clifford, the Atlanta publicist. Huntsville and Birmingham reporters also visited the Center and everyone had a great time. The CEC staff could not have been more welcoming to us and it was, as you can see, a picture perfect day!
