Re: ASPCA v Ringling Bros., No. 03-2006 (EGS/JMF)

Dear Mr. Gasper:

I am writing in response to your letter of today concerning the organizational plaintiffs' discovery productions. Although we believe the organizational plaintiffs have complied fully with the Court's August 23, 2007 Order, without more specific information from you as to what defendant believes is missing from the productions, we cannot state with certainty whether "the organizational plaintiffs' position regarding such payment information does not differ from Mr. Rider's."

Sincerely,

Kimberly D. Ockene
