Dear Tom:

Enclosed is a further grant to continue with your invaluable media and public education efforts with regard to Ringling Brothers' mistreatment of elephants in the circus. It is my understanding that your upcoming efforts are focused on media in Chicago, IL.

As always, thanks again for all you are doing to put a halt to the cruel and inhumane treatment of these wonderful, intelligent animals. You are their best friend in the world, as well as their best spokesman.

Regards,
