SECOND JOINT STATUS REPORT REGARDING MEDIATION

Pursuant to the Court’s Minute Order of July 8, 2010, the parties, through undersigned counsel, submit this joint status report.

On March 25, 2010, the above-captioned case was referred to mediation. By Minute Order of July 8, 2010, the Court extended the period for mediation through and including August 4, 2010 and directed the parties to notify the Court by stipulation if the matter were to settle in whole or in part and, in the absence of a settlement, to submit a joint recommendation for further proceedings by no later than August 4, 2010. The parties have proceeded with mediation in good faith during the periods of time provided by the Court and have made progress. At this time, the parties believe that additional time to continue the mediation would be appropriate and productive. Therefore, the parties jointly request that the Court extend the period for mediation by four (4) weeks, to and including September 7, 2010, at which point the parties will provide the Court with a joint status report regarding the conclusion of the mediation.

Dated: August 4, 2010

Respectfully submitted,
