1	GRAND JURY HEARING VOLUME XII
2	
3	MS. ALIZADEH: Good morning.
4	(Everyone says good morning.)
5	MS. ALIZADEH: Let's see, Monday,
6	October 13th, at 8:38 a.m. This is Kathi Alizadeh
7	with the prosecutor's office, present is Sheila
8	Whirley, all 12 grand jurors are present, as is
9	, the court reporter. He's taking down what is
10	being said and recording, audio recording.
11	So for today, the first witness, let me
12	back up a little bit and talk about scheduling.
13	There was a question brought up, I think it might
14	have been during a break we had last week about
15	whether or not three days a week was helpful or if
16	it was not very productive. And so Sheila and I
17	have talked about it, as well as with some of our
18	investigators.
19	You know, as I mentioned to you that some
20	of these people are reluctant to come in and that
21	means going out and serving them subpoenas and even
22	then, that's not a guarantee they're going to show
23	up.
24	We have been lucky so far. We have been
25	able to get the people in, but, you know, every day

Page 6 is going to be a challenge. We talked about it and 1 2 first of all we felt that it was, it was going to be 3 problematic for us to try to corral or wrangle up enough people to fill three days of your time. 4 5 Neither Sheila nor I wants you sitting 6 I know you have taken out from your personal 7 lives and from your jobs and it is just really wrong 8 for us to waste your time for you to sit here for two hours when we don't have anything scheduled for 10 you or anything to put on. 11 I think the two day a week is going to be 12 better, hopefully we will use that time 13 productively. 14 Another reason for it is because we have 15 doing the transcripts and we need those done 16 as quickly as possible, because there's another 17 investigation going on, that as you know, there's a 18 federal investigation that's kind of parallel to 19 doesn't just work when he's in the ours. And 20 room with us, he goes home and he works to try to 21 transcribe everything that is going on. And news to 22 me, he mentioned the other day one hour of testimony 23 may take him three hours to transcribe. 24 He's working diligently to try to get these transcripts out. And when we have back to 25

Gore Perry Reporting and Video 314-241-6750 www.goreperry.com

FAX 314-241-6750

Page 7 back days, he's not able to work on the transcripts 1 2 and the three days a week, we're finding he's not 3 able to keep up with the transcripts the way we need them. 5 Another reason is, you know, once this 6 case is concluded and given to you for your 7 deliberation, once, assuming you arrive at a 8 decision, we don't want to have to delay that decision for two or three weeks while we're waiting 10 for the transcripts to be done. 11 So he's, , trying to do those as we 12 go so we can keep up on those. So we felt that that 13 was another reason why the two day a week would be 14 better for just our purposes and getting this done 15 efficiently and as quickly as possible. 16 So I think the word went out to you last 17 week after we canceled Thursday, that we also are 18 canceling tomorrow, but we do have witnesses lined 19 up for all day today, assuming they show up and then 20 we have witnesses lined up for all day Thursday. 21 Including, you know, we're going to hear statements 22 when we're not having witnesses boom, boom, boom 23 there will be times that you are listening to 24 statements of witnesses that we anticipate that are 25 going to be called.

               So with that being said, thank you for,
 1
 2
     did they already do the rest of October?
 3
               MS. WHIRLEY: How far, the 16th?
 4
               MS. ALIZADEH: Today, this week is today
 5
     and Thursday. I don't know if we have the next two
 6
     weeks actually written in stone. So if you guys,
 7
     I've got a calendar in my office, but is that
 8
     completed for the month.
 9
                                No jury duty on the 30th.
10
     We have it up through the 28th, that's three days.
11
                               We need to talk about it.
12
                                We need to confirm it.
13
               MS. ALIZADEH: Yeah, why don't you all
     keep in mind two days a week is going to be the best
14
15
     way to go during your lunch break, and something you
16
     can kind of talk about your schedules and redo the
17
     calendar as you have.
18
               I will tell you that whatever days you
19
     pick, like I said, we are going to work with those.
20
     Doesn't matter to me, however, I do believe that it
21
     can be helpful for us if at least one of those days
22
     at least till 5:00. We've found that there are
23
     witnesses who have said, you know, well, I can't be
24
     here till 4:00 because my kids off the bus and blah,
25
     blah, blah.
```

	Page 9
1	We understand that these people are
2	witnesses, you know. They happen to be, what they
3	may feel now is at the wrong place at the wrong
4	time. So, I'm trying my best, especially the ones
5	that are cooperative, to work with them if they
6	have, you know, work or child issues that, you know,
7	we'll get you here, when does your son get off the
8	bus. Okay. How about if we have the cab pick you
9	up at 3:00, get you here at 3:30 that way we can get
10	some of these people on.
11	So when you do your schedule, I know that
12	a lot of these days you have a 2:30 cutoff because
13	of work and that's fine, but if there is a day
14	during the week that you can go till 5:00, that
15	might be a good second day for us because then we
16	can maybe accommodate some witnesses that need to
17	work later.
18	Is there anything else that anybody had to
19	bring up or talk about before we get started?
20	All right. So today we are going to hear
21	first . We heard from his wife
22	last Tuesday. And he was here
23	with her, we didn't have time to get to him. You've
24	already heard his recorded statement so we will call
25	him as our first witness.

1	We also have , she has a
2	couple of statements that we will play before she
3	testifies. One of them is very brief, like three
4	minutes long, but the other one I have to tell you
5	we just got because it was the result of a federal
6	interview.
7	I can't remember if it was done by the FBI
8	or Department of Justice, but we have that, we have
9	the recording of that, but I don't have a transcript
10	of that. So we'll just listen to the recording of
11	that statement before she testifies.
12	And then we have a witness that's
13	scheduled to be here at 1:00 in the afternoon. His
14	name is . He's made a number of
15	statements as well.
16	So after testifies, we'll
17	go on with the statements, recording statement for
18	the next witness, all right.

7
          Α
               Okay. Most people tend to tell me to tone
 8
     it down because I project. So I don't think that
     will be a problem.
10
               Okay. You've got a nice voice there,

     together?
21
          Α

10
          Α
                            and she's our youngest and

23
               And none of your family lives in the

25
          A No, they do not.

1	Q Okay. And so do you recall the morning of
2	August 9th of this year?
3	A The day of the shooting?
4	Q Yes.
5	A Yes, I do.
6	Q Was there anything special or unusual
7	about that morning?
8	A We were taking
9	And
10	as we were driving down Canfield toward the complex,
11	we heard what first sounded like overly loud
12	fireworks. And we looked up, saw the flashing red
13	and blue lights.
14	At this point I noticed the officer
15	and a large black man, about my size, who appeared
16	to be pointing a gun. I believe they were having a
17	shootout at the time, I believe they were having a
18	shootout. And the young black man appeared to be
19	pointing in our direction and I was afraid for my
20	family at the time.
21	Q Okay. Let me stop you.
22	A Uh-huh.
23	<pre>Q And we're going to start</pre>
24	A Sure.
25	Q at the very beginning. So you were

     going into the complex, do you remember what time,
 1
 2
     approximately, what time of day it was?
 3
               It was bright and sunny, that's all I can
     remember.
 5
          Q
               Do you remember this being a Saturday?
 6
               Uh, at this point, no, I don't remember
          Α
7
     what day of the week it was.
 8
               Okay. And so were you in a vehicle?
          Α
               My wife's
10
          Q
               And who was driving?
11
          Α
              My wife.
12
              Where were you in the car?
          Q
13
          Α
               Front passenger.
14
               Were there any other people in the van
          Q
15
     with you?
16
          Α
                                and I believe two of the
17
     grandchildren, but I don't recall which two.
18
               Are the grandchildren, are they minors?
19
          Α
               They are minors. The oldest one is
20
21
               Okay. And so you said you were coming
22
     into the complex, was driving into the
23
     complex?
24
              Yes, she was. We were in traffic.
          Α
25
               And do you remember, I'm going to direct
          Q

     your attention to Grand Jury Exhibit Number 25,

     which is an aerial view of the streets and buildings
 3
     that comprise the complex?
               Which way is Florissant?
          Α
 5
          Q
               So what I'm going to tell you is that this
     is north, up is north?
 7
          Α
               Okay.
 8
               And so if you were to see that this is
     Canfield Drive that goes through the complex, if you
10
     continue on here you are going to West Florissant?
11
               Okay, okay. We were coming from
12
     Florissant down the drive.
13
               Okay.
          Q
14
               Our destination was this parking area back
15
     here behind one of these two houses. We always pull
16
     up from the back, so I'm not sure which house it is,
17
     but
                      lives in one of these houses.
18
     (indicating)
               Here, let me have you, let me show you
19
20
     here, this is a laser pointer. So instead of having
21
     you stretch yourself, you can use that?
22
          Α
               Okay, sure.
23
               So you were in the van and you were coming
     east on Canfield?
24
25
          Α
               Yeah. This curve here is, we were coming,

Page 17 1 we were on this curve when we heard the first shots, 2 which called our attention to it. And we began 3 scanning the distance down the hill here looking for the source of the, looking for the source of the 5 sound. 6 Okay. Now, let me tell you and remind you Q 7 that I know that you had other people in your 8 vehicle. Α Yes. 10 Q And I know they all saw things as well. 11 Α Uh-huh. 12 What is important is that you testify Q about what you saw. 13 Right. 14 Α 15 Q And what you heard and observed as opposed 16 to if maybe you and your wife? 17 Α Right. 18 Or your daughters talked about this later and they talked about what they saw. 19 20 Α I understand. 21 You're saying we did this and we were 22 scanning the area, what is important is what you 23 did. 24 Right. Α 25 Okay. So as the vehicle comes to this Q

Page 18 1 bend, which is at the northwest corner of the map, 2 right around Coppercreek Road, you said that having 3 heard what you believed to be fireworks? 4 Α Right. They sounded a little too loud for fireworks. 6 Q Okay. 7 And looking down further down the street, 8 I saw the lights from the squad car. Okay. So let me stop you. Get some 10 details before we get to that point. 11 Α All right. 12 Were your van windows up or down or do you Q 13 recall? 14 Um, a couple of inches. I like the fresh Α 15 air, but I don't like the wind blowing in my ear 16 when we drive. It is usually cracked two or 17 three inches. 18 Okay. Do you recall would you of had the 19 radio on or music playing? 20 Α No radio, but I had four adults and two 21 children in the car 22 There was a lot of noise. 23 A lot of chatter? Q 24 Α Yes. 25 Okay. So, and then how is your hearing, Q

Page 19 1 Mr. 2 Α My hearing is pretty good. 3 What about eyesight, do you wear glasses? Q I do not wearing glasses. I have trouble 4 Α 5 reading, uh, I have trouble reading street signs 6 when we're driving. 7 Q Okay. 8 But other than that, I don't have any Α 9 I can read, uh, united we fall, divided we problem. 10 -- united we stand, divided we fall is kind of fuzzy 11 on the seal. 12 Q Okay. 13 I can see the MDCCXX, the roman numerals A at the bottom. I don't wear glasses. 14 15 Q Okay. So now, as you come around the bend 16 and you said that you looked down, kind of scan down 17 Canfield, which at that point as you are coming 18 around is kind of a straight shot, correct? 19 Α Right. 20 Q And you see, you said you see a squad car? 21 Now, I do not, I still don't know for 22 I didn't recall when I gave my first 23 statement, whether it was a car or an SUV. I didn't 24 pay that much attention to the vehicle, but I saw 25 the lights.

2	bar on top of the car?
3	A Right, the red and blues.
4	Q You saw those were going off?
5	A Yes.
6	${f Q}$ And what did you see as far as people at
7	and/or around the vehicle, please vehicle?
8	A Um, I saw people, residents and citizens
9	coming from various different directions. I saw the
10	officer out of his vehicle, I didn't see him exit
11	his vehicle. When I first seen the officer, he was
12	already, uh, several feet from his vehicle.
13	${f Q}$ Okay. So can you use the pointer and
14	point to where you believe you first saw the
15	vehicle, not where you were, but where was the
16	police vehicle?
17	A There's an image of a vehicle on your map
18	here and it is near that one, it is near this side
19	road here in between this one and this side road
20	here. (indicating)
21	It was in this area here.
22	(indicating)
23	${f Q}$ Okay. So was the vehicle when you first
24	observed it, was it moving or was it stationary?
25	A Stationary.

	3	A No, I didn't.
	4	$oldsymbol{Q}$ Okay. So when you came around, you said
	5	you saw the officer and he was already out of the
	6	vehicle?
	7	A Yes, with his back to me.
	8	$oldsymbol{Q}$ And you said he was a ways away from the
	9	car?
	10	A Yes.
	11	${f Q}$ So in what directional was he away from
	12	the car?
	13	A He was down the street because he was
	14	moving down the road away from his vehicle. The
	15	officer was near the yellow line.
	16	The vehicle was about 45 degrees from
	17	the curb and the officer was out near the yellow
	18	line moving down the road away from the vehicle.
	19	${f Q}$ Okay. So when you say the vehicle was
	20	about 45 degrees away from the curb, do you mean
	21	that the vehicle was angled or do you mean that it
	22	was, I don't understand?
	23	A It had been like it had been pulled in and
	24	the right front wheel was at the curb and the
	25	vehicle was about 45 degrees, like it had been

- 1 parked at an angle.
- 2 Q Okay. So it wasn't in the lane as if, you
- 3 know, if you were driving down that street, you
- 4 would be going straight down the lane?
- 5 A You will have to see people parked at an
- 6 angle on Sundays out in front of churches, it was at
- 7 an angle by the curb.
- 8 Q Was the officer's vehicle blocking the
- 9 road so that other vehicles could not go past?
- 10 **A** Uh --
- 11 Q Or do you know? Don't guess if you don't
- 12 know.
- 13 A I don't think it was blocking. I'm not
- 14 positive, but I don't believe it was blocking the
- 15 road. It was closer to the curb.
- Okay. So you said when you first saw the
- 17 officer, he was, his back was toward you?
- 18 **A** Yes.
- 19 **Q** And he was moving away from you?
- 20 **A** He was moving away from us toward the quy
- 21 that he was shooting at. I first seen the officer,
- the officer was between me and the guy he was
- 23 shooting at. The officer was facing the other guy
- 24 and guy that he was, I'm sorry, I don't know what to

1	Q We now know that the person who died was

3	A Okay.
4	Q So it is okay
5	A Mr. Brown.
6	Q And just to be clear, so you didn't know
7	Mr. Brown before that day?
8	A No, I did not.
9	Q And is that the bigger black gentleman
10	that you described having seen?
11	A Yes, the one that was shot.
12	Q Okay. So let's back up for a second so
13	when you see the officer.
14	A Uh-huh.
15	Q You said he's a ways away from the car
16	with his back towards you and he's moving away from
17	you.
18	A Yes.
19	Q So are you good at distances?
20	A Not that good.
21	Q Okay. Can you give me an idea how many
22	feet or car lengths or a football field?
23	A A car length, maybe two, between them or
24	between us.
25	Q Between the officer's vehicle and where

Page 24 you first saw the officer you said he was aways from 1 2 his car? 3 Α Not more than a car length from his vehicle. Q Okay. A couple of strides. 7 And when you say he was moving away from 8 you, can you describe how he was moving? Was he running, was he walking, was he walking quickly, 10 jogging? 11 Α Uh, a trot, a brisk trot. 12 Did you see at that time if he had a gun in his hand? 13 14 I couldn't see what he had in his hands, 15 his back was to me. 16 Okay. And so, now as you look and you Q 17 said you saw the officer, did you also, when you first looked, could you also see Michael Brown? 18 19 Yes, my first, that was my first view of 20 Michael Brown. He was in direct line just past the 21 officer and he was pointing in our direction. 22 Okay. So he was facing in this direction? Q 23 Yes, ma'am. 24 Okay. So the first time you saw him, you saw his front? 25

1	A Yes.
2	Q Okay. You never saw the back of him?
3	A No, I did not.
4	Q Okay.
5	A He appeared to be pointing directly at the
6	vehicle we were in, he was pointing at the officer
7	in the officer's direction and because of our point
8	of view, he appeared to be pointing at us.
9	$oldsymbol{Q}$ Okay. Did you see anything in his hands
10	or anything that he was doing with his hands?
11	A I believe I saw a flash of light off of
12	something.
13	Q Okay. And now you had mentioned earlier,
14	and I believe in your statement as well, you said at
15	first you thought he had a gun?
16	A Yes, that was my belief.
17	Q So that was an impression you got
18	A Yeah, I was scared the bullets were going
19	to start coming through the windshield.
20	Q Now, let's back up just a bit. When you
21	were coming around that bend and you heard what you
22	now know are gunshots, how many shots do you think
23	you heard?
24	A Three or four.
25	${f Q}$ Okay. And then when you saw, you first

FAX 314-241-6750

Page 26 saw the officer, did you see him after you heard the 1 2 gunshots? 3 Α After. After, okay. So when you saw the officer 4 5 and he's moving away from you, could you tell was he 6 firing a weapon as he was moving away from you? 7 Uh, the next shot I heard was after Α 8 Michael Brown started running, the officer fired and I saw Michael Brown stagger and fling his arms out. 10 At which point he turned around and came back toward 11 the officer. 12 Now, let's back up. When you first Q see Michael Brown, he's facing the officer? 13 14 Α Yes. 15 And you said it appeared that he was Q 16 pointing? 17 He looked like he was pointing at us, yes. 18 Can you stand up and show the grand jurors 19 how you saw what it looked like he was doing? He's about my size, young black guy and he 20 21 looked like he was pointing. I can't tell one 22 finger or two, I can't tell what he had in his hand, 23 but I thought I saw a glint. I believe it was a 24 gun. 25 Q Okay. Now, when you saw him, when you

Gore Perry Reporting and Video

FAX 314-241-6750

Page 27 first saw him, was he moving or was he standing 1 2 still or standing in place? 3 Α I'm not certain. 4 Okay. As you then come around the bend Q 5 and you see this, describe for me, you can sit down, 6 we'll go through this again step by step, but 7 describe for me what you see next happened? 8 Well, after seeing him and the officer and seeing him point and getting this impression that he 10 was going to start shooting in our direction, uh, 11 like that, Mr. Brown spun and started to run away 12 down the street going this direction. 13 Okay. So that would be east down 0 Canfield? 14 15 Α Yes, down Canfield away from Florissant 16 and away from our vehicle. At which point the 17 officer fired one shot and I saw Mr. Brown stagger. 18 Okay. Let's back up now then. You had 19 said when you saw the officer he was, his back was 20 to you, he's moving ago way from --21 Moving away from us, moving toward Α 22 Mr. Brown. 23 And you said he was near the yellow line? Q 24 Yes. Α 25 Where was Michael Brown standing when you Q

	3	A	Out in the middle of the street.
	4	Q	Okay. And what was the distance when you
	5	first saw	them between Michael Brown and the
	6	officer?	
	7	A	Uh, perhaps the length of this courtroom.
	8	Q	Okay. So maybe
	9	A	From me to the flag.
	10	Q	Okay.
	11	A	15, 20 feet.
	12	Q	Okay. And so then you say you saw Michael
	13	Brown, he	was pointing when you first saw him?
	14	A	Right.
	15	Q	You saw him spin around?
	16	A	Spin and run.
	17	Q	And run where?
	18	A	Down the street.
	19	Q	So he stayed in the street?
	20	A	Um, he might have been angling toward this
	21	side of th	ne street, but he was running straight down
	22	the center	of the street that's turning, so, he was
	23	running st	traight away from us.
	24	Q	Okay. When you saw him, did you notice
	25	how he was	s dressed, and I mean, Michael Brown, did

And I thought something might have flung from his hands. I wasn't certain at the time 11 12 I gave my original statement. This was an 13 impression that I got that I thought he may or may not have lost what he had in his hand. 14 15 Q Okay. Could you tell when you first saw 16 Michael Brown, did he have a hat on? 17 I don't remember a hat at all. 18 Okay. And so you say that he was running away from the officer and the officer was, you said 19 20 a fast trot, I think? 21 A trot or a jog. Α 22 Q A jog? 23 He was trying to close the distance. 24 And when the officer was running, after Q. 25 Michael Brown spun around and started to run east

Page 30 1 down Canfield Drive, did the officer fire at him? 2 Α Yes. 3 And then you said, you had said something about Michael Brown being wounded. 4 5 Α Yeah, when Mr. Brown was running away from 6 the officer, one shot was fired. Mr. Brown 7 staggered a little to the left and his arms went 8 It looked to me like he was shot in the left leg or low on the left side and he spun around. 10 Q Did you see any blood coming from him? 11 Α No, I wasn't close enough to see blood. 12 So it was just by the way he reacted that Q 13 you thought he was shot? 14 The way his body jerked. Α 15 Q Okay. And so you say he spun around, so 16 when he spun around, was he facing the officer at 17 that point? 18 He spun 180 degrees and came back toward 19 the officer. 20 All right. When you say he came back 21 toward the officer? 22 Α Several steps back toward the officer. 23 Okay. Now, can you stand up again, sorry, Q 24 up down, up down. 25 Α That's okay.

6	A Yeah.
7	Q And about how many steps did he take
8	toward the officer?
9	A He got three, maybe four steps.
10	Q From where he had turned around?
11	A Yes, he had gotten three, maybe four
12	steps.
13	${f Q}$ Was the officer still going toward him?
14	A Yes, they were still closing the distance.
15	Q Okay. Did you hear anybody saying

So then as you, are you still 7 watching this whole time or were you ever like 8 ducking down in the van because you thought maybe you were going to get shot at? 10 Uh, I was sitting as low as my seat belt 11 would allow me to. I wasn't, I was in a bucket seat 12 of a with the seat belt on. I couldn't go, I couldn't move very far. 13 14 So from the time you came around that 0 15 bend, did you watch the entire time or was there a time when you looked away or looked down to where 16 17 you might have missed something? 18 I was intent on the shootout or what I 19 believe, what I believed to be a shootout in front 20 of me because I was worried about stray bullets 21 coming through the windshield. 22 So when you saw Michael Brown, he had Q turned around now and his hands were down at his 23 24 side? 25 Α Down at his sides.

                    When you were coming around the bend
                    driving, correct?

          Q
12
               No, we saw, we saw the police and the
     crowd and we turned onto, excuse me, we turned onto
13
     this side road here and drove around the back to
14
15
              house. I still can't remember which one of
16
     these two houses it is, but we drove around to avoid
17
     the scene.
18
              Okay. So you took a left onto Coppercreek
19
     Road?
20
          Α
              Right.
21
               You drove around Coppercreek Road, all the
22
     way to Stonefield Road?
23
               Uh-huh.
          Α
24
               All right. So fair to say then that you

     never got farther east than this intersection?

1	A Right. And was never more than, was never
2	any closer than two blocks from the shooting.
3	Q Okay.
4	A Like I said, I wasn't close enough to see
5	any blood or to hear any verbal exchange between.
6	Q Okay. So after you saw Michael Brown
7	collapse you said and he landed in the street.
8	A Uh-huh.
9	${f Q}$ At that point, were you already on
10	Coppercreek Court or
11	A That's the point where we were looking for
12	somewhere to turn off because we were like, we got
13	to get out of here. Traffic had held us up at this
14	bend.
15	Q So there were other cars?
16	A The street was blocked all the way down to
17	this point here. The whole street was lined with
18	traffic.
19	Q So there were other cars in front of your
20	van?
21	A Yes, we were caught in traffic.
22	Q And so I'm guessing, or I shouldn't guess,
23	so when you were driving down here, did you
24	immediately turn or was there a time where you were

As you went left onto Coppercreek 6 Road and traveled in this direction north and then 7 east, could you see any more what was going on over 8 there on Canfield Drive? Uh, I didn't have any feel, I didn't have 10 any clear line of sight. We saw people running and 11 walking to and from, and we saw police cars coming 12 from every different direction, but I couldn't see 13 anything beyond that. 14 Q From the time you came around this bend 15 and you said you saw the officer's car? 16 Α Uh-huh. 17 I know you said police came later, but was that the only police car that you saw when you came 18 19 around the bend? 20 Α That is the only car that I observed. 21 Okay. 11	A	Sure.
12	Q	Let me turn around.
13	A	Okay.
14	Q	Put your arms up the way he had them?
15	A	Okay. The way the flung out, yes.
16	Q	So your left arm is extended away from
17	your body	at about a 45 degree angle?
18	A	Down and out.
19	Q	Down and out?
20	A	Yes, and the right arm was higher,
21	shoulder	level as he spun.
22	Q	Okay. And, okay, thank you. And then
23		pun around, what did his hand do?

               MS. WHIRLEY:
                              Okay.
               (By Ms. Whirley) So you first saw the

21
          Α
               Yes.
22
               So you did not see any tussling or

24
          Α
               No.
25

You 3 know, like did he have a gun pointed, was he, what was he looking like when you first saw him? 4 5 Α When I first saw him, I was looking at his back as he was walking away from me or trotting, 7 toward Mr. Brown. 8 Okay. And from behind, that's what you 9 could see, could you see his hands from behind, from 10 his behind, I mean, his behind was facing --11 They looked like they were up. He 12 probably had his, probably had his gun in his hands. 13 0 It appeared --14 I couldn't see the gun. They looked like Α 15 they were up. 16 As if he was holding a gun and pointing a Q 17 qun? 18 Α Yes. 19 And just to be clear, the officer was shooting at Michael Brown when he was running away 20 21 from the officer? 22 One shot. Α 23 One shot. And you think that shot Q 24 actually struck him? 25 Α The way he staggered, I do believe it

3	A No.
4	Q Okay. And as Michael Brown was running
5	away, it appeared he had a gun in his hand as he was
6	running away, because you said?
7	A I saw, I saw what I thought was something
8	fly from his hand when he spun, but it was an
9	impression I got and since my original statement to
10	the police, I said that I wasn't certain because of
11	the distance, but I got the impression that
12	something flew out of his hand when he was struck
13	and spun around.
14	Q Okay. So while he's running away, is he
15	facing you or not?
16	A His back, because he was running almost
17	directly away from us down the road.
18	$oldsymbol{Q}$ Okay. So both the officers back and his
19	back was to you as they were running away?
20	A Yes.
21	Q And the officer was closest to you?
22	A Right.
23	$oldsymbol{Q}$ But it looked like to you that from the
24	back, Michael Brown had a weapon?
25	A Um, I didn't see anything in his hands

And I saw a glint off of something in his 7 hand when I first saw him because the first time I 8 laid eyes on Mr. Brown, he was pointing at us. I thought I saw a glint off of something in his hand. 10 11 Okay. All right. So as he ran and the 12 officer fired a shot, he thought he was hit, he 13 staggered? 14 Α Yes. 15 He turned around, as you demonstrated for 16 us how he turned around. 17 Α Yes. 18 So once he turned around and he was 19 walking towards the officer, you said a few steps, 20 was he staggering still? 21 He did not seem to be staggering. He was Α 22 walking fairly well. 23 Okay. He no longer seemed to be 24 staggering? 25 Α He wasn't moving very rapidly, he was

               Can you kind of show us what you mean,

    please?
 4
          Α
               After he spun around and walked back
    toward the officer, it cars more of a, it was more
 5
 6
     of just, you know, walking across the room. It was

     just walking like, you know, I'm walking back toward
 8
     the officer. (indicating)
               Not like he was injured or anything?
10
          Α
               It was a fairly normal walk.
11
               Okay.

12

14
15
          Α

               Open fire. And that's when Michael Brown

17
    went down?
18
          Α
               Yes.
               Okay. Did it appear to you that Michael
19
20
    Brown was charging the officer?
21
               I didn't get the impression of a charge
22
    because it wasn't fast enough to be a charge.
23
               Okay. Did it appear to you that the

1	A I wouldn't say had to. At the time I was
2	relieved because I believed at the time, I still
3	stand by my original statement, but my impression at
4	the time was that it was a shootout between the
5	officer and Mr. Brown in a residential neighborhood
6	surrounded by bystanders who were all stupidly
7	running toward a gun fight.
8	Q But you never saw Michael Brown fire a
9	gun?
10	A I never saw him fire anything.
11	${f Q}$ So it was just your assumption that it was
12	a gunfight?
13	A Right.
14	${f Q}$ Okay. So my question is, when the officer
15	opened fire, did it appear that he had to do that to
16	protect himself in your opinion?
17	A Um, I couldn't see Mr. Brown's hands and I
18	wasn't sure if he lost the weapon, if there was a
19	weapon.
20	I felt, at the time I felt the
21	officer did what he had to do.
22	Q Is that what you think here today?

 8
               Okay.

               My wife and I felt that we should do our
10
     civic duty and come forward and tell everybody what
11
              I'm not comfortable being here, but I'm
12
     trying to do the right thing.
                     Questions?
13

               Okay.
14
               MS. ALIZADEH: Let me ask a couple just to
     clarify, and I didn't ask you about this earlier,
15
16
                    Did you see another black younger
17
     male that was smaller than Mr. Brown at, near,
18
     around the vehicle or running in that area?
19
               I have no idea who you might be speaking
20
     of. The neighborhood was filled with young black
21
     people.
              They were all over the place. It is a
22
     neighborhood full of them.
23
               MS. ALIZADEH: So you don't recall seeing

And, you know, from what you've stated, you didn't see anything that occurred prior 6 7 to you coming around that bend, correct? 8 Α Correct. So if there was anything that happened 10 prior to you coming around the bend, whether it was 11 between the officer and Mike Brown or anyone else 12 that was there, you didn't witness that? 13 Correct. Α And let me ask you because Sheila Whirley 14 15 had asked you about whether or not you felt the 16 officer had to fire, if there was something that 17 occurred prior to the officer running after Michael Brown, you have no idea what that was? 18 19 Α No, I do not. 20 MS. WHIRLEY: Just one last follow-up. As 21 Michael Brown is running away from the officer and 22 he fired at him. 23 Uh-huh. Α 24 MS. WHIRLEY: Did it appear that Michael 25 Brown was a threat at that time in your opinion?

               I believe that, I believe, I certainly
 1
 2
     believe at the time that Mr. Brown was dangerous.
 3
     It was my belief at the time that here was somebody
     with a gun running from the police in a residential
 4
 5
     neighborhood. That's always a danger, a very real
 6
     concern.
 7
               MS. WHIRLEY: Okay, thank you. Anybody
 8
     else, questions?

                                                   You
11
     said your wife was driving and you were in the
12
     passenger seat, what were you doing at that time,
13
     were you looking around, were you talking?
               I was playing with my phone until I heard
14
15
     the shots.
16
                                 Okay. So you were
17
     looking down at your phone?
18
               And we heard shots.
          Α
19
                                 Okay. I just want to
20
     confirm since you thought there was a gunfight and
21
     that was because of the sound, not because of
22
     anything you saw.
23
               Right.
          A
24
                                 And where on the map was
25
     Michael Brown when he turn around or spun around as

     you said to face the police officer?

 2
          Α
               He had started around here and was running
 3
     this way.
 4
                                 Okay.
 5
          Α
               And had gotten perhaps 50 or 60 feet.
 6
                                 Okay. And then he
7
     started walking back and where was he at when he
 8
     fell, did you see where he fell?
 9
               Somewhere in this area.
                                         (indicating)
          A
10
                                 Okay. And you said
11
     throughout everything that Michael Brown spun
12
     around, do you feel that he spun around on his own
13
     accord or do you feel it was due to the impact of
14
     being shot.
15
          Α
               The bullet, the impact of being shot, uh,
16
     certainly appeared to have started him turning. And
17
     whether he continued of his own volition or not, I'm
18
     not certain. It looked like the impact started to
19
     spin him around and when he completed the turn, he
20
     was facing us again and came back toward the
21
     officer.
22
                                 Okay. So you feel that
23
     maybe if he hadn't been shot, he might have
24
     continued to run that way?
25
          Α
               Right.

11	A That's correct.
12	${f Q}$ And so when you went to see ,
13	this wasn't as a specific purpose to interview
14	
15	A That's correct.
16	Q So when you went to
17	apartment, was someone home?
18	A Yes.
19	Q Who was there?
20	A We knocked on the door and
21	answered the door.
22	Q Do you recall what day this was?
23	A It was on a Saturday following the
24	shooting, I believe it was on the 18th.
25	${f Q}$ So this is a week after the shooting, the

1	shooting happened on the 9th, which was a Saturday,
2	so this would have been the following Saturday?
3	A Correct.
4	Q And so when answered the
5	door, were you dressed similarly as to how you are
6	now?
7	A Yes.
8	Q Did you identify yourself as an FBI agent?
9	A Both of us did.
10	Q Did he invite you into his apartment?
11	A Yes, he did.
12	Q Was anyone else in the apartment?
13	A His fiancee was there and her younger
14	brother was also there.
15	Q Do you recall the fiancee, is it
16	?
17	A Yes.
18	Q And her younger brother, was he a child,
19	was he teenager, was he a young adult?
20	A He was a teenager who did not live there,
21	he was just there for the weekend.
22	Q Okay. And so did you talk to
23	about whether he was home on August 9th and
24	heard or witnessed anything involving the shooting?
25	A Yes, he did.

               He told you he witnessed a part of it; is
 1
 2
     that right?
 3
          Α
               That's correct.
               And specifically, well, let me ask you
 4
          Q
 5
     this, did you record your interview with
 6
           ?
 7
               Yes.
          Α
 8
               All right. And did you later listen to
     that recording?
10
          A
               Yes.
11
               And did that, your recorder accurately
12
     record the interview that you had with
13
14
          Α
               No.
15
          Q
               So your recorder malfunctioned or didn't
16
     work for some reason?
17
               It was either a mechanical malfunction or
18
     operator error.
19
               So you don't have a recording of the
20
     interview you had with
                                           ?
21
          Α
               That's correct.
22
               Shortly after your interview with him, did
23
     you, let me ask you this. Did you make notes as you
24
     were interviewing him?
25
          Α
               Yes, we did.

	1	Q	And shortly after that, did you go and use
	2	your note	es and your recollection to prepare a report
	3	about tha	t interview?
	4	A	Yes, we did.
	5	Q	And did you do that within a couple of
	6	days afte	er the interview?
	7	A	Yes.
	8	Q	So when you made your report, that
	9	interview	was fresh in your mind?
	10	A	Absolutely.
	11	Q	Okay. And so, and did you also have your
	12	partner c	n that day review your report after you
	13	completed	l it in order for him to see if he recalled
	14	the same	thing that you had recalled?
	15	A	Yes.
	16	Q	Okay. And so how long were you talking to
	17		in his apartment, approximately?
	18	A	We were probably there for 35 minutes.
	19	Q	And was he cooperative with you?
	20	A	Yes, he was.
	21	Q	And so he told you that he saw, he was in
	22	his apart	ment when he heard some shots, correct?
	23	A	Correct.
	24	Q	And what did he say he did after he heard
	25	the shots	?

               He initially heard the shots, he was
 2
     sitting on the couch when he got up, he heard the
 3
     shots, he went up and looked out his window and he
     had a partial view of Canfield Drive from his
 4
 5
     apartment window.
 6
               All right. And what did he tell you who,
          Q
 7
     if anybody, did he say he saw when he looked out the
 8
     window?
          Α
               He saw who he now knows to be Michael
10
     Brown in the street walking away from the apartment
11
     building, kind of walking going down the street.

               Okay.
13
     of you, you were gesturing with your hands toward

15
     you recall, does this look familiar, these

17
          Α
               Yes.
18
               Do you know what buildings he was in?
19
          Α
                   , which is right here. (indicating)
20
               Okay. And so you had gestured that he saw
21
     Michael Brown walking and you went like that?
22
     (indicating)
23
          Α
               Correct.

(indicating) 4 So he would have been facing west on 5 Canfield Drive walking in a westerly direction if 6 this is west? 7 That's correct. Α 8 Okay. And did he see any police officers 9 from that vantage point? 10 Α Initially, no. 11 And what did he say he saw Michael Brown Q 12 do? 13 He heard the first couple of shots, three A shots, went to his window, looked out and saw 14 15 Mr. Brown walking westward down Canfield Drive. He 16 heard approximately six more shots, saw Mr. Brown 17 grab his torso with one hand and had another hand 18 up, drop to his knee and fall to the ground. 19 And so when you interviewed 20 let me ask you this. Had he just like gotten up out 21 of bed or was he intoxicated or under the influence 22 of something that you thought might make it, might 23 affect his ability to recall what he told you? 24 No, he answered the door, he was alert and Α 25 willing to answer any questions.

Page 59 Okay. And so he told you that he saw 1 2 Michael Brown walking away from him. 3 words, away from where he was in his apartment. And then in the direction where he would have been 4 walking west on Canfield Drive? 5 6 Α Correct. 7 Okay. Did you ever go back and actually 8 clarify that with him as far as whether or not he saw Michael Brown moving in the direction, moving in that direction or whether or not Michael Brown was 10 11 standing still? 12 We clarified that with him at least three Α 13 times during the interview just to make sure that we 14 understood what he was saying, and the other agent 15 made sure what he was saying. 16 He was very clear that he saw 17 Mr. Brown, he now knows it's Mr. Brown, at the time 18 he did not know who it was, walking, walking west on 19 Canfield. 20 And this was after he had heard a series 21 of gunshots, correct? 22 Α Correct. 23 And then he observed him, he heard another 24 series of gunshots, did he tell you if he could see 25 who was firing the weapon?

11	A	Yes.
12	Q	Did he tell you then he saw a police

14	A	After Michael Brown had fallen to the

21	A	Yes.

               Correct.
               Did you clarify with him that the
 4
     direction that Michael Brown was traveling, walking,
 5
 6
     was in the direction from where the officer

     eventually came?
 8
          Α
               Yes.
               MS. ALIZADEH: I don't have anything else.
10
               MS. WHIRLEY: The only thing I have, I

     don't think it was addressed,
12
          Α
               Yes.

15
               MS. WHIRLEY: was there at the time,

               Yes.
18
               MS. WHIRLEY: And did you have occasion to
     speak with her?
19
20
          Α
               Yes.
21
               MS. WHIRLEY: What was the nature of that
22
     conversation?
23
               As part of the canvas, we were asking

We asked her why, she said 5 well, by the time she had gotten into the living 6 room by the window, it was over. 7 She was in the bedroom at the time, 8 he had summoned her into the living room and at that point it was over, she didn't see what happened. 10 MS. WHIRLEY: You gave her an opportunity 11 to tell you whether or not she saw something and 12 she, in fact, told you she did not? 13 Α Correct. MS. WHIRLEY: That's all I have. Anybody 14 15 else have questions? 16 I just 17 want to verify the date. This was, this took place 18 on 8/16? 19 Α It was a Saturday, our interview was the 20 Saturday after the incident took place. 21 MS. WHIRLEY: The same Saturday that the 22 incident took place? 23 A week later. Α 24 MS. ALIZADEH: My math is terrible, but 9 25 plus 7 was 16. I had to do it in the sky.

               Any other questions for the agent?
 2
                                          Did you look out
 3
     the window that they looked out of, did you see the
 4
     area where Michael Brown was, was he able to see
 5
     what he reported seeing?
 6
          Α
                     That street was not completely
 7
     visible from his apartment. You could only see
 8
     parts of it. So as far as what he was telling us,
     what he could see, I would believe would be
10
     accurate.
11
                               Okay, thank you.
12
          Α
               You couldn't see the whole thing.

                                                 You said
15
     he could only see part of the road there in
16
     Canfield. What exactly was blocking his view?
17
               I can't recall if it was the building or a
     tree there, but all I can recall is the view of
18
19
     Canfield was very limited from his apartment window.
20

1	present, myself, Sheila Whirley and the court
2	reporter , and we just had a small break after
3	a witness testimony. And I want to make sure we put
4	on the record that there was some questions that
5	were asked after the witness testified about some
6	dates and when certain witnesses were interviewed.
7	And I think what we discussed and kind of clarified
8	is that according to what you've heard so far,
9	who is the fiancee of , was
10	interviewed by the County Police on August 9th, the
11	day that Michael Brown was killed.
12	And that then Agent and his partner
13	went to their apartment and as a part of an area
14	canvas with no specific purpose of looking for
15	anyone in particular other than any witness that saw
16	this.
17	And that he then interviewed
18	on the 16th of August. He also said that
19	was present in the apartment at the time and
20	said she didn't see anything.
21	And then you all have also heard from a
22	statement that was interviewed by the
23	FBI, like on September 30th or something, and that
24	during that interview she described what she says on
25	the 30th she saw.

1	So there was some question about whether
2	or not the FBI knew that the FBI, meaning Agent
3	and Agent , whether they knew that
4	had been talked to by agent and his
5	partner, and/or whether or not agent was
6	aware that had been interviewed by the
7	County Police prior to their interview of her.
8	And what I explained to you is, to the
9	best of my knowledge and guess would be that they
10	did not know of the other interviews that had taken
11	place, however, I will tell you that's only until
12	the best guess on my part based upon my
13	understanding of how the investigation was going at
14	that time.
15	The FBI was working independently of the
16	County Police at that time. And the County Police
17	were not involved in that canvas that took place on
18	the 16th.
19	Originally, there was talk that was, they
20	were going to do the canvas together, the County
21	Police and the FBI. And then the FBI said, no, we
22	are going to do the canvas just on our own. So the
23	County Police are not a part of that canvas.
24	And so I can clarify this with Detective
25	and, of course, Detective will

    probably testify again before your investigation is
 2
    completed, but you certainly can ask him that.
 3
              It is my belief and thought is that
 4
    probably agent
                    was not aware that
 5
            had been interviewed by County Police when
 6
    he went to go see, he knocked on their door on the
7
    16th. And then also I would have to verify with
 8
                       , it is my guess that they
    Agent
                 and
    were not aware that Agent
                                     had seen
10
            and had spoken to her on the 16th because
11
                 did not put that in his report because
    Agent
12
    he, according to him, and I discussed this with him,
13
    since said she didn't see anything, he didn't
14
    include that. It is like he just didn't.
15
              Whether he should or not is not for me to
16
    say, but he just didn't. So I don't think that
17
                  and Agent
                                   were aware that he
    Agent
18
    had talked to
                             when they interviewed
19
         on the 30th.
20
               I will certainly try to clear that up for
21
    you, but that's only my thought and opinion at this
22
    point. All right.
23
                    So now, yes.
24
                                           To so
    clarify, on August 9th, Miss was interviewed

	2	MS. ALIZADEH: Correct, yes.
	3	. When I said , what I was thinking of
	4	for him to testify about the lack of information
	5	flowing back and forth at that time because he was
	6	from the get-go, Detective has been in charge
	7	of the investigation, but of course, he's only in
	8	charge of the county officers. But as the primary
	9	detective, he was talking to the FBI, but again, he
	10	could clarify this for you, but I believe that at
	11	that time on the 16th, there wasn't a lot of back
	12	and forth going on. Sharing of information so to
	13	speak between the County and the FBI about who had
	14	been talked to and what they said and the FBI did
	15	this area canvas on their own.
	16	It was their desire that the County not be
	17	involved. They wanted to have their own independent
	18	investigation so they said we're going to do this,
	19	we don't want County coming with us or being
	20	involved in that for whatever reason.
	21	So you're right, it was that

     interviews, so how do they determine like, I mean,
 1
 2
     it is freshly on their mind on the 9th or three days
 3
     after, but then when you come behind like weeks
     later, how beneficial is that?
 5
               MS. ALIZADEH: Well, that's going to be up
     for you all to talk about when you begin your
7
     deliberations. If there's a difference in a
 8
     statement that's given closer to the time and then
     there's a statement that was done after that, how
10
     long after that, what are the circumstances of the
11
     statement, what about, you know, these are all
12
     things for you to consider. If there are
13
     differences, why are there differences, you know.
14
               Could it be that the first statement was
15
     done because it is brief and then as you know, the
16
     FBI has come along and Department of Justice have
17
     done subsequent interviews that seem to be longer in
18
     duration. Are they being more detailed?
19
     all things that you are going to have to decide for
20
     yourself. If there are differences, what do you
21
     make of those differences.
22
               So now we're going to listen to a recorded
23
     statement of
                                , and if you will recall

 3
     listen to her statement. The first statement is
     about three minutes long and was done by St. Louis
 5
     County police officers, or detectives.
 6
               At this time we'll have cease the

     recording and I will pass out a transcript of this

                         , you do not need to take
     interview. And so,
     down the statement as it is being played and I will
10
     give you a copy of the transcript.

               (The interview of

               MS. ALIZADEH: We just needed to mention
14
     that statement that we heard was actually about
15
     eight minutes long and it was contained on a disc
16
     that is marked Grand Jury Exhibit Number 17, and it
17
     is a file folder on that disc labeled

19
               The next statement we are going to hear is
20
     also a recorded statement on a disc that's marked
21
     Grand Jury Number 36.

                         (Grand Jury Exhibit Number 36

     will have you pause the recording, but if you can
     transcribe what you are hearing and we can make a

     record of that then.
 6
                     : It is 6:26 p.m. on
 7
     October 13th. This is special agent
 8
     at FBI building at 2222 Market Street. I am with
     DOJ trial attorney
                                 , and USA
10
     here to interview. Will you state your name.
11
               MS.
12
               MS.
                            And
                                      , will you spell
13
     your name?
14
               MS.
                                          last name,
15
16
                            You just listened to your
               MS.
17
     recorded statement and is the birthday and social
     security number correct that you gave the detective?
18
19
               MS.
                            Yes.
20
               MS.
                         : Okay.
21
                                , before we get into some
22
     additional questions that we have, I just wanted to
23
     just go over some preliminary stuff with you.
24
               When we ask you a question, if for some
25
     reason you don't understand the question or you are
```

```
Page 71
1
     confused by our asking it, feel free to stop us
 2
    because we are going to assume that you understood
 3
    when you answer it. And sometimes we trip over our
 4
    words and don't make sense anyway, so don't think
 5
     that you are insulting us by correcting us.
 6
               MS.
                         : Okay.
7
                          And all your answers need to be
 8
     out loud because it is being recorded. There may be
 9
     a transcript made. So if you nod your head, I may
10
     ask is that a yes or is that a no.
11
               MS.
                       : Yes.
12
                          So it is totally normal to do
            If I do that, I'm not doing that to you to be
13
14
     rude, okay?
15
               And
                          just referenced that you just
16
     listened to your statement is about 8 and a half
17
    minutes long. We have a transcript that you are
18
     following along with. Do you remember hearing that
19
     statement and is it fair as much as you remember
20
    with what you said?
21
               MS.
                      : Yes.
22
                          Okay. And so we don't want to
23
     really make you rehash everything, we just wanted to
24
     ask you some follow-up questions from it. You know,
25
     everybody has a piece of the puzzle so to speak.
                                                        We
```

Gore Perry Reporting and Video FAX 314-241-6750 314-241-6750 w

```
Page 72
     know you only saw, you know, the beginning and the
 1
 2
     end, we don't want you to think that we're looking
 3
     for anything and everything possible, just what you,
     yourself, know, okay.
 4
 5
               So, therefore, we just have some follow-up
 6
     things for you. And one of the reasons we wanted
 7
     you to listen to your statement is because it has
 8
     been seven and a half weeks and as you know, this
     has been on the news and people talk a lot about it,
10
     but our goal is to find out what you, yourself,
11
     know, not what you may have heard on the news.
12
               So a lot of times it helps to refresh your
13
     memory and kind of separate out what you said at the
     time and what you, yourself, versus what you may
14
15
     have heard based upon the news or the police report,
16
     does that make sense?
17
               MS.
                            Yes.
18
                          Okay. Also, we know it is
19
     late, you came here from work. At any point you
20
     think I've had enough, even though you're in the
21
     FBI, feel free to say I've had enough, I don't want
22
     to talk any more being, okay?
23
               MS.
                          : Okay.
24
                          This is entirely voluntary.
                                                        We
25
     certainly don't want to force you to be here.
```

Gore Perry Reporting and Video FAX 314-241-6750 314-241-6750

```
Page 73
     Basically we are just looking for what happened and
 1
 2
     the truth.
 3
               So we have to tell you as I tell everybody
 4
     that, it's a crime to make false statements to
 5
     federal agents. So we always say people are very
 6
     honest people. If you're going to exaggerate or
 7
     lie, you are better off not saying anything at all
 8
     then like a lie, okay?
 9
               MS.
                            Okay.
10
                          And so basically, like I said
11
     we just want to know what happened. If you assume
12
     something or you're guessing at something, or you're
13
     talking about what other people heard, that's fine
     as long as you let us know that you are assuming,
14
     okay?
15
16
               MS.
                        : Okay.
17
                        : We just really want to know
18
     what you know and what you remember. If you don't
19
     remember something, it is fine to say you don't
20
     remember it. If you don't know the answer, I don't
21
     know is a perfectly acceptable answer if you truly
22
     do not know.
23
               MS.
                            Okay.
24
                          All right. So I just want to,
25
     uh, so I have some follow-up questions based upon
```

Page 74
     the original statement that you gave. You had said
 1
 2
     that initially you saw kind of the beginning of the
 3
     action, correct?
                          : Yes, ma'am.
               MS.
 5
                        : And then looking in your rear
 6
     view mirror you ultimately saw the end where Michael
7
     Brown ultimately fell and died; is that correct?
 8
               MS.
                            Yes, ma'am.
 9
                        : At the time did you know
10
     Michael Brown?
11
               MS.
                          : No, ma'am.
12
                          You have since learned the
13
     individual who died is that victim, is that fair to
14
     say?
15
               MS.
                          : Yes, ma'am.
16
                        : Have you since given your
17
     statement, you described the thing, the guy that was
18
     with him with the dreads, that is how you described
19
     him, do you know his name or do you --
20
               MS.
                            No, ma'am, I actually, I have
21
     heard of his name, but I forgot.
22
                           That is fine. We will just
23
     keep referring to him as the guy with the dreads.
24
               MS.
                          : Okay.
25
                          We will refer to Michael Brown

    by his name, is that fair?
1
 2
               MS.
                      : Yes, ma'am.
 3
                       : If I do that, will you
    understand who we are referring to?
 5
               MS.
                    : Yes.
 6
                       : So, you had said in your
7
     initial statement that you were driving behind the
 8
    police car SUV; is that correct?
               MS.
                         : Yes.
10
                          Who else was in the car with
11
    you.
12
                        : One of our friends.
               MS.
13
                         And who is that?
14
               MS.
                         : His name is , I don't
15
    know the last name.
16
                          Okay. And was there anybody
17
    else in the car with you?
18
                         : No, ma'am.
19
                       : And when you were driving, do
20
    you remember if your windows were up or down?
21
               MS.
                       : They were down.
22
                          And you had mentioned that, um,
23
    that the SUV stopped on the side of the two
24
    individuals of Michael Brown and the individual with
25
    the dreads; is that correct?

               MS.
                            Yes.
 2
                        : Okay. And you said, once, uh,
 3
     once the vehicle was stopped, can you describe, do
 4
     you remember, um, you described that tussle, do you
 5
     remember how it started?
 6
                          : Um, actually, like I said, as
 7
     I was behind the police officer, I noticed that he
 8
     did stop because I was directly behind him, so I had
     to slow down also.
10
                        : Okay.
11
                            In the process of up to two
12
     young men walking, Michael Brown and the friend with
13
     the dreads walking down the street, he did stop.
14
                        : Okay.
15
               MS.
                          : Like I said, I don't know
16
     what was said, I didn't hear anything, my radio was
17
     down and my windows was down.
18
                          Your windows was down, was your
19
     radio on?
20
               MS.
                          : At the time, yes, ma'am, but
21
     once we stopped, I wanted to know what was going on
22
     so I did turn my radio all the way down.
23
                           Okay.
24
               MS.
                            It was completely down.
25
                          Now, you mention that you don't
```

Page 77
     know what was said, is there anything that gives you
 1
 2
     the indication, anything that you saw that you
 3
     thought something was said?
 4
               MS.
                          : Actually, just by the car
 5
     just rocking back and forth.
 6
                        : Okay.
 7
               MS.
                          : And that was it. But no,
 8
     ma'am, I didn't hear anything.
 9
                          Before the car started rocking
10
     back and forth, did you see any sort of interaction
11
     between the guy with the dreads, Michael Brown and
12
     the police officer?
13
               MS.
                            Actually, I did not because
     how my car sits and how tall the truck was, so I
14
15
     didn't see directly what was going on inside.
16
                           So from your vantage point as
17
     soon as you stopped, what's the first thing that you
18
     remember seeing?
19
               MS.
                           Um, I just remember the car
20
     just stopping.
21
                        : Okay.
22
               MS.
                          : And the two, the two young
23
     men, just, I didn't see them. So they was kind of
24
     out of my vision at the time.
25
                           Okay. At the time that's when

    you said you looked under and you saw feet moving,
1
 2
     kind of tapping?
 3
               MS.
                       : Yes, ma'am.
 4
                       : Okay. And you also said that
 5
    the guy with the dreads looked like he didn't know
 6
    what was going on, what do you mean by that?
7
                     : Actually, what I mean by that
 8
     is because had he like proceeded to go, he came back
 9
    out.
10
                          So the recording can't pick
11
    that up, you are kind of saying, you said he
12
    proceeded to go, you we are taking about the guy
    with the dreads?
13
14
               MS.
                            Yes, ma'am.
15
                       : He proceeded to go, he was
16
     going toward the police car?
17
                         : He was actually, it looks
18
     like he wanted some help.
19
20
               MS.
                         : But then, I don't want help.
21
     It was like back and forth. It happened so fast.
22
                          He moved forward really quickly
23
     and moved backward.
24
               MS.
                   : He moved back and his eyes
25
     kind of got a little big, a little big.

               MS.
                          : Yes, ma'am. Like probably
 5
     knew what was going on, but you know, probably
 6
     didn't, you know, something like that.
7
                          So looks like he was going
 8
     forward and then stops, like changing his mind now?
 9
                          : Yes, ma'am, like he's
               MS.
10
     shocked.
11
                        : While this is going on, were
12
     you able to see Michael Brown?
13
                         : No, ma'am, I still wasn't
               MS.
14
     able to see him.
15
                        : But you saw his feet at that
16
     point; is that correct?
17
               MS.
                            Yes, ma'am, I saw a pair of
18
     feet just like tapping.
19
                        : Okay. Do you know whose feet
20
     it was?
21
                          : Actually, to be honest, no,
               MS.
22
     ma'am, but I can say the young man with the dreads
23
     was towards the back, he was towards the back once I
24
     saw come in and out, I just figured that he was
25
     towards the back of the truck and wasn't so close to

     the driver's side of the door.
 2
                       : Okay. So the only two people
 3
     on the street you saw Michael Brown and the guy with
     the dreads?
 5
               MS.
                   : Yes, ma'am.
 6
                       : And so since you're describing
7
     the other guy with the dreads, the only other
 8
     person's feet that could have been was Michael
     Brown?
10
               MS.
                         : Yes, ma'am.
11
                       : Okay. So you describe what you
12
     saw these feet they were like moving and tapping,
13
     and you said some kind of confrontation?
14
                         : Yes, ma'am.
               MS.
15
                       : Why do you say confrontation?
16
               MS.
                         : Just because of how feet was
17
     moving, how the truck was rocking walking.
18
                       : Okay.
19
               MS.
                            The vehicle was rocking.
20
                          What about how it was rocking?
21
                         : It was just like side by
               MS.
22
     side.
23
                          And this is while the police
24
     officer is still in the driver's side?
25
               MS.
                         : Yes, ma'am.

 1
                          Okay. And then you said that
 2
     the guy with the dreads is looking to see what was
 3
     going on. What do did you mean by that?
 4
               MS.
                         : Actually, what I mean by that
 5
     because, like I said, he was kind of, like he wanted
 6
     to go, but he don't.
 7
                       : Like he wanted to go towards
 8
     the vehicle?
               MS.
                      : Towards, probably try to
10
     help, you know.
11
                       : Did you actually see what he
12
     was doing?
                       : Uh, yes, ma'am, like back and
13
               MS.
14
     forth.
15
                       : Okay. And then while you are
     describing all of this, this tussling is still going
16
17
     on between Michael Brown and the police officer as
18
     far as you can tell?
19
               MS.
                         : Yes, ma'am.
20
                          That's when you heard the
21
     gunshot go off?
22
               MS.
                        : Yes, ma'am.
23
                       : And then you said that the
24
     suspect got shot back up, you talking about Michael
25
     Brown when you said that?

 2
                        : You said the suspect got shot,
 3
     what about, what made you say that he got shot?
 4
               MS.
                         : Actually, I just heard the
 5
     gunshots. It was just like when I heard the gun go
 6
     off, he kind of like came off of the truck.
 7
                       : Okay.
 8
                            So that's what made me think
               MS.
 9
     at the time that he probably was hit at the time.
10
                        : And then, how were you able to
11
     see when Michael Brown backed up, were you able to
12
     see him?
13
                       : Yes, ma'am.
               MS.
                        : And why were you able to see
14
15
     him, what move allowed from your vantage point to
16
     see him?
17
                         : Actually, at this time the
     truck had kind of came back a little bit more, came
18
19
     back on like hit on the brakes a little bit more.
20
     don't know if he was trying to run or not because
21
     actually I couldn't see over that way.
22
                          Can you point out for me a
23
     little bit, so Michael Brown, you were able to see
24
     him?
25
               MS.
                            Yes, ma'am.

                            Yes, ma'am.
 4
                       : And that was because the truck
     moved a little bit?
 6
                   : Actually, when he backed up,
7
     he kind of backed, at this time he backed all the
 8
     way up from a distance to where I can just see his
     body.
10
                       : Okay.
11
               MS.
                         : Like back up.
12
                       : Okay.
13
                            You know.

14
                          : You talking about him

                         : Yes, sir.
17

                            Yes, sir.
19
                       : Okay. Then you said he looked
20
     amazed?
21
               MS.
                       : Like he was shocked, yes
22
    ma'am.
23
                          And then you said, um, that
24
     they both, the guy with the dreads and Michael Brown
25
     then ran towards to find out what was happening.

                       : At this point is when you start
 3
    ducking; is that right?
 4
               MS.
                         : Right. After I heard the
 5
     first shot and I see Michael Brown jump out of the
 6
     car, yes, ma'am, I was terrified. When they start
7
     running because actually, they ran past my car, so I
 8
     didn't know what was going on.
 9
                       : And that makes sense.
                                                 They are
10
    running past your car and you just heard gunshots

     and you were terrified?

13
                       : You started to duck, correct?
14
                         : Yes, ma'am.
               MS.
15
                          You said you were able to see
16
    that the police officer ran past as well, correct?
17
                         : Yes, ma'am.
18
                          And was there a pause between
19
    the time that the boys started running past you and
20
    the police officer?
21
                      : There actually was. Just
               MS.
22
    because we was trying to get out of the truck at the
23
    time. So once we took off running, once Michael
24
    Brown and the guy with the dreads took off running,
     that's when I noticed the police comes out.

                            Yes, ma'am, just enough time

16
     him.
17
                       : You already were down inside
18
     the vehicle?

20

21
                       : At any point did you open your

                         : Oh, no, ma'am, I did not open

 3
                       : Do you know why?
 4
               MS.
                         : Actually to get down.
 5
     were scared, terrified. I mean, I can't tell why he
 6
     did it, but I know he was hanging outside of the car
7
     trying to get, you know, shelter or whatnot.
 8
                          Okay. And so you said that
 9
     once you saw the police officer kind of go past you,
10
     you said you instantly ducked. (inaudible)
11
                         : Yes, ma'am, I was down, my

19
     happened and I just ducked down.
20
                          Okay. So you are not looking
21
     out the window at this point?
22
                            No, ma'am, no, ma'am, I
23
     blacked out just a little bit. And then, yeah, just
24
     -- I blacked out just a little bit. I mean, I don't

               MS.
                             Actually, it was for a short
     period of time because once I proceeded to sit up
 4
 5
     and I looked out my rear view mirror, that's when I
 6
     saw the end, when actually him running, his back was
7
     turned and he turned around.

                          : Right.
17
                        : Okay. And so you don't know

     turned around?

               MS.

22
                        : While he was on the ground?
23
                          : Yes, ma'am.

                          : Yes, ma'am.
20
                          And now where in what you just
21
     described in the ducking and the blacking out and
22
     the looking back up, at what point did the guy with
23
     the dreads come over to the car?
24
                          : Actually, when I did go out
               MS.
25
     for a little bit, like I said, I just blanked out a

2	eyes. I was still down, and that's when I saw the
3	young man with the dreads, where had the door
4	open, he had it slung open. He was on the curb, but
5	he had he crawled. You could tell that he
6	crawled. He was in the car and he just basically
7	asked me could I get him away from here because it
8	is crazy.
9	: Is that what he said?
10	MS. Yes, ma'am.
11	: Get me away from here, it's
12	crazy?
13	MS. : Yes, ma'am.
14	: Do you have a two-door car?
15	MS. : Yes, ma'am.
16	: So when passenger door
17	is kind of opened?
18	MS. : It's opened wide.
19	: Okay.
20	MS. Uh-huh.
21	: So the guy with the dreads kind
22	of crawled over?
23	MS. : Yes, ma'am.
24	What was your response to him?
25	MS. : Actually, I told him to get

            That's all I had, I mean, that was the only
 2
     thing that came to my mind, just get down.
 3
                       : Okay. And then --
                           : Obviously, you didn't let
 4
 5
     the guy with the dreads in your car?
 6
                         : No, sir, I did not.
               MS.
 7
                             Why was it that you wouldn't
     let him in your car?
 8
                         : Actually, I didn't know what
               MS.
10
     was going on for one and I was actually, didn't have
11
     a clue if he had or who had it, I just didn't know.
12
     It wasn't something that I was willing to do.
13
                          : If he had what?
14
                          : Actually, I didn't know if he
               MS.
15
     had a gun, I didn't know what was going on.
16
                           : You didn't know what was
17
     going on?
18
               MS.
                      : Actually, I didn't know what
19
     was going.
20
                           : And so for that reason you
21
     didn't allow the guys with the dreads in the car
22
     with you?
23
                      : Yes, sir.
               MS.
24
               MS.
                           Do you know if he stayed
25
     there or he went elsewhere?

Page 91
                         : Actually, just for a few
 1
 2
     minutes, just for a few minutes, like I said, after
 3
     I told him no, he disappeared.
               Now, I don't know where he went, I wasn't
 4
 5
     focusing on him. I was trying to see what was going
 6
     on.
 7
                          So I was trying to ask you
 8
     this, when he said to you get me out of here, it is
 9
     crazy, and you said, get down. Did he say anything
10
     else?
11
               MS.
                        : No, ma'am, he did not.
12
                       : Did you guys say you can't get
13
     in the car?
14
                   : No, ma'am, I did not, get
15
     down, that was it.
16
                          Okay. Did you know that he
17
     wanted to get in the car?
18
                         : Actually, just by what he
19
     said, the statement that he made to me.
20
                          I guess what I'm trying to
21
     figure out is, how did you let him know that you
22
     weren't letting him in the car?
23
                            Actually, for one, I wasn't
               MS.
24
     moving it at the time.
25
                          Okay.

     anywhere anyway.
 3
                       : Did
                                    say anything to him?
 4
               MS.
                         : No, just get down. We both
 5
     just hollered the same thing, get down.
 6
                          Okay. All right. At some
 7
     point you looked up and you were looking in your
 8
     rear view mirror?
               MS.
                         : Yes, ma'am.
10
                       : So everything that you observed
11
     after that was with regard to Michael Brown and the
12
     police officer was through your rear view mirror?
13
                         : Yes, ma'am.
               MS.
14
                          And your review mirror is for
15
     reverse, correct?
16
               MS.
                       : Is it reverse?
17
                       : I don't want to misstate it.
18
     (inaudible)
19
                         : Oh, yeah, oh, yeah.
20
                       : (Inaudible) So when you are
21
     looking in your review mirror, you said you saw the
22
     male turn around and basically stop, this is Michael
23
     Brown, correct.
24
               MS.
                            Yes, ma'am.
25
                       : That's when you heard two or

     three more gunshots, and Michael Brown went down to

 2
     the ground.
 3
               MS.
                        : Yes, ma'am.
 4
                       : And then after that you, you
 5
     drive away?
 6
               MS.
                         : Yes, ma'am.
 7
                       : You describe yourself at that
 8
     point, were you still terrified?
 9
                         : My leg was shaking.
               MS.
10
                       : Okay. And so how did you
11
     manage to driveway then?
12
               MS.
                            With , just calm me
13
     down, my legs were moving.
14
                          Okay.
15
               MS.
                         : And I just cried because,
16
     like I said, I've never seen nothing like that in my
17
     life.
18
                          Okay. And so you describe and
19
     you drove away, um, and there was another truck, do
20
     you mean a police SUV.
21
                      : Yes, ma'am. In the process
               MS.
22
     of me, after the incident had happened, probably
23
     about two or three cars pulled up and they came
24
     towards my car. So I had to basically yell, like
25
     somebody is in here, you know, because he was real,

     real close.

 2
                          So just so I can understand.
 3
     So you started to drive away and as you were
 4
     driving --
 5
               MS.
                          : No, actually at this time, I
 6
     didn't even get a chance to even move at this time.
7
     They were coming towards the way, towards me.
 8
                        : You were stopped in the middle
 9
     of street because you had to stop?
10
               MS.
                          : Yes, ma'am, right at the
11
     curb, yes, ma'am.
12
                        : Okay.
13
                          : Right by the complex.
               MS.
14
                        : And then you drove away?
15
               MS.
                          : Yes, ma'am, I did.
16
                          All right. How did it come to
     you that you then met with the St. Louis County
17
18
     Police Detective?
19
               MS.
                          : Actually, I stay in that area
20
     at the time and my mom basically, basically got the
21
     news. So she came to see was her daughter okay. So
22
     in the process of seeing was her daughter okay, I
23
     was up in the house, the house is right before you
24
     get to Canfield Green.
25
                           Okay.

 3
    whatnot, but he the one that brought the police to
 4
          The FBI, like I said, I don't know but they
 5
    were the ones in the car, I guess. Somebody was out
 6
    there and probably remember my car or something

                          The police did?

                          So he came to you?
13
                         : Yes, ma'am. I was on the

    people, but they stayed in the house right there.
16
                       : Okay. You said something about

    brought him to you?

                            I've probably seen him like

23
    around in the complex, but I don't know him. As
24
     talking to him on like a daily basis.

                          And then you saw through your

 8
     he went down to the ground?

20
                          : Not to my knowledge.
21
     just going to be honest, that's probably when I was
22
     blacked out.
23
                              Okay.
24
                          : Once, I raised up --

                         We can we take a break.
21
                          : Yeah, I have a couple of

     questions.

                           If we with can, we will take a

 3
                       : You mentioned early on you

17
     did he immediately run away?

1	A Yes, ma'am.
2	Q This is about the Michael Brown shooting.
3	Where do you live?
4	A Actually, I say in Northwinds Apartments.
5	Q All right. Is that where you lived on
6	August 9th 2014?
7	A Yes, ma'am.
8	Q I don't believe Northwinds is on this map.
9	You see this map, Grand Jury Exhibit Number 25, does
10	it look familiar as far as the Canfield Green
11	Apartments are concerned?
12	A Yes, ma'am.
13	Q Okay. Which way would Northwinds
14	Apartments be based on this map, if you could tell
15	us? If you can't, that's fine.
16	A Um, um.
17	Q You can't really tell on this map?
18	A Huh-uh.
19	Q I'm going to ask you some more things
20	about the map, so I want to show you how this works.
21	This is a pen light, I guess, and you push that
22	button and you can direct it wherever you it to go,
23	okay. Can you push the button? Yeah, all right.
24	So you live in Northwinds which is,
25	is that east of the Canfield Green Apartments?

1	A	Um, yes, it is towards the back by Glen
2	Owen.	
3	Q	This would be east and this would be west.
4	A	I'm closer to Glen Owen.
5	Q	Glen Owen. I don't think that's on the
6	map eithe	er. So tell us what you were doing on
7	August th	ne 9th, what did you do that morning when
8	you first	woke up?
9	A	Actually, got up for the day.
10	Q	What did you have planned?
11	A	Actually, just going to ride around and
12	just enjo	by the day on a Saturday.
13	Q	Okay. You and who, who were you with?
14	A	I was with .
15	Q	Just ?
16	A	Yes, ma'am.
17	Q	?
18	A	Yes, ma'am.
19	Q	And nobody else was in the car?
20	A	No, ma'am.
21	Q	And you were driving that day?
22	A	Yes.
23	Q	What type of automobile were you in?
24	A	Um, I had a '99 Monte Carlo.
25	Q	What color?

3	A It is a two-door.
4	${f Q}$ I think most Monte Carlos are two doors.
5	I guess it was a two-door white Monte Carlo?
6	A Yes.
7	Q When did you first see the police officer
8	in this case?
9	A Actually, I saw the police officer as I
10	was coming across the bridge coming towards the end
11	of Northwinds going towards Canfield Drive.
12	Q You don't know what street that would have
13	been?
14	A Actually, that would have been Glen Owen.
15	<pre>Q That's Glen Owen?</pre>
16	A Yes, ma'am.
17	Q Which, I don't think we see on this map.
18	So you saw him, he was driving coming from the
19	Northwinds area also?
20	A Um, yes, ma'am, just like right, just
21	actually right past the little bridge thing.
22	${f Q}$ Okay. Was he driving, I don't want to
23	talk at the same time you talk, so forgive me if I
24	did.

6	${f Q}$ As if he was answering a police call or
7	anything like that?
8	A No, ma'am.
9	Q Okay. So did he appear to be alone?
10	A Yes, ma'am.
11	Q And what made you notice the police car?
12	A Um, actually, when I was coming, like I
13	said, across the bridge, I saw him coming out of the
14	street. One of the side streets, I really don't
15	know what the side street right there, but he was
16	coming, proceeding to turn to come the same
17	direction that I was going.
18	Q What direction were you going?
19	A Actually, I was going toward, this time I
20	am going towards Canfield, like going towards West
21	Florissant.
22	Q Okay. So this is Canfield Drive, does
23	that look familiar?

	9	Q	Can you tell us, is it on this map at the

	12	A	Actually, I really cannot tell.
	13	Q	Was the officer in front of you though?
	14	A	Yes, ma'am, he was.

	20	A	Yes, ma'am, I sure was.
	21	Q	Where about was that on the map?

	4	Q	Tell us what they looked like?

 8
     stopped in front of me and stopped behind him.
     the process of them walking down the middle of the

4	A It was white.
5	Q A white SUV with police?
6	A Ferguson.
7	Q It was like a marked police car?
8	A Yes, ma'am.
9	Q When you saw that car stopped, was the car

11	the lane stopping or did it stop some other way?
12	A Oh, no, it was straight down the lane.
13	$oldsymbol{Q}$ Straight down the lane. And what happened
14	at that time when you saw the car stop, I mean, did

16	A Um, yes, ma'am, but I didn't hear
17	anything.
18	Q Okay.
19	A I didn't hear anything.
20	${f Q}$ Okay. And then what happened next?
21	A After he, after the actual stop, um, quick
22	seconds, it wasn't really a long period of time and
23	that's when, um, I saw the truck or the SUV slightly
24	go like in reverse. I saw the reverse lights on and

He put it in reverse, 1 2 but it went back. 3 Q Okay. 4 Α And that's when it went to an actual stop 5 just like that, and the truck shook just a little 6 bit, but you could tell that somebody pressed down 7 on the brake really hard. 8 So at first when the car stopped, it was just driving the normal lane, you were behind the 10 car and there looked to be some conversation between 11 the officer and the two people walking down the 12 middle --13 A Yes, ma'am. 14 -- of the street. Then the car drives 15 away and goes in reverse? 16 No, it never drove away. I guess as the Α 17 two suspects start to actually keep proceeding 18 walking. 19 Q Okay. 20 Α That's when it looks like he's trying to 21 stop them from walking away from the truck. 22 I see. And they're walking away, so he Q 23 has to go in reverse to get up to them? 24 Α Yes, ma'am. 25 Did he hit them, hit either one of them? Q

1	A Actually, I couldn't tell if he hit them
2	or not. I just know that the truck actually stopped
3	at, like a hard stop at that time.
4	Q Was the car straight as if it was going
5	toward West Florissant or some other way?
6	A Actually, when it went back to stop them
7	again, it was like in a catty-corner.
8	Q Like an angle?
9	A Yes, ma'am, like an angle.
10	Q And then what happened?
11	A And then after that, that's when I notice
12	that the truck got to rocking back and forth.
13	Q Was anybody at the truck from the outside?
14	A Oh, yes, ma'am.
15	Q Who was at the truck?
16	A Um, it was Michael Brown at the time.
17	Q You know his name as Michael Brown?
18	A Yes, ma'am.
19	Q What did you see, actually observe?
20	A Actually, I didn't see anything for, just
21	feet, a set of feet just moving up under the truck.
22	Q Your car is still behind?
23	A Yes, ma'am, still stuck behind.
24	$oldsymbol{Q}$ Okay. And when the officer drove back at
25	the diagonal and hit the brake real hard, was he

	Page 114
1	close to hitting you, your car?
2	A Actually, he was close enough, but he was
3	like right there to where I couldn't even move. So
4	I thought, you know, as it was coming, you know, I
5	was kind of shocked if he would have hit my car, but
6	he didn't.
7	Q Were you concerned that he was going to
8	hit it the way he came back?
9	A Yes, ma'am, I had to swerve over.
10	Q You swerved over?
11	A No, ma'am, I was there.
12	Q You stopped?
13	A Yes, ma'am.
14	Q So you see feet and what else?
15	A Actually, I just see the feet like
16	tapping, like tapping type of.
17	Q Did the car move?
18	A Actually, it was rocking back and forth,
19	like side to side. I'm not going to say back and
20	forth, I'm going to say side to side.
21	Q Were you are windows down?
22	A Yes, ma'am.
23	Q Could you hear anything?
24	A No, ma'am, at that time, no, ma'am.
25	Q You didn't hear the officer or the person

	2	A	No, ma'am.
	3	Q	And Mike Brown was right at the officer's
	4	driver do	wn window?
	5	A	Yes, ma'am.
	6	Q	Did that windowed seem to be down?
	7	A	Oh yes, it was down.
	8	Q	Could see his hands or see just his feet?
	9	A	I just saw feet.
	10	Q	You couldn't see the top of his head or
	11	anything?	
	12	A	No, ma'am.
	13	Q	And then what?
	14	A	And then after that, that's when I, short
	15	period of	time, of like some seconds went past, I
	16	heard the	first gunshot.
	17	Q	Okay. Did you just hear one shot?
	18	A	At that time, yes, ma'am.
	19	Q	And where was Michael Brown and the
	20	officer wh	nen you heard the shot?
	21	A	He was still at the window.
	22	Q	The officer was inside the car?
	23	A	Yes, ma'am.
	24	Q	And Mike Brown was at the window when you
	25	heard the	shot?

1	A Yes, ma'am.
2	Q What happened then?
3	A After that, that's when I saw a young man
4	with the dreads, I really can't get his name, but
5	that's when I saw him like hesitant, like going,
6	coming back and that's when I actually saw him step
7	behind the truck at this time.
8	Q The guy, his name is Dorian Johnson?
9	A Dorian Johnson.
10	Q When the shot went off, you saw him go
11	behind?
12	A No, he was like hesitant, you try to go
13	help somebody, but you jump back like he was
14	surprised or something.
15	${f Q}$ Okay. All right. Where did you go, where
16	did you see him go?
17	A Actually, after that I saw him like take
18	off. That's when he took off. He kind of like
19	ducked down, he was out of sight, I didn't see him
20	any more until he proceeded on the side.
21	Q On the side of what?
22	A My car.
23	Q What side of your car?
24	A The passenger side.
25	${f Q}$ Of the front passenger side?

FAX 314-241-6750

	Page 117
1	A Yes, ma'am.
2	$oldsymbol{Q}$ Who was at the front passenger side of
3	your car?
4	A Actually .
5	Q Because he was riding in the passenger
6	seat in the front?
7	A Yes, ma'am.
8	Q Okay. All right. So let's go back to
9	Michael Brown, you hear the shot, what did Michael
10	Brown do?
11	A Actually, when I heard the first shot, I
12	didn't even see Michael Brown at the time because I
13	was so focused on the other gentleman, but once
14	after that, after Dorian had came over to the side
15	of the car, that's when I saw Michael Brown kind of
16	back up off of the SUV. I could see him at this
17	time. He had got back enough so where I could see
18	his body.
19	Q Did it look like he was injured?
20	A It happened so fast, no, ma'am, I couldn't
21	even tell if he was shot at that time.
22	Q You didn't see blood or anything?
23	A No, ma'am, I did not.
24	${f Q}$ So when you heard the shot at the car, you
25	said Michael Brown backs off the car. Does it

2	the police car?
3	A Yes, ma'am.
4	${f Q}$ Okay. And when he backs off the car, what
5	happens then?
6	A Um, when he backs up off the car, that's
7	when Michael Brown actually just took off running.
8	Q Which way did he run? Show us with the
9	penlight or whatever?
10	A This is West Florissant.
11	Q This is West Florissant?
12	A He started to come this way. (indicating)
13	Q He's running east?
14	A Yes, ma'am.
15	Q And what did you do?
16	A Um, actually, when he started running,
17	that's when, when he started running, I ducked.
18	When I ducked down, um, actually, I got all the way
19	towards the ground like in the car.
20	$oldsymbol{Q}$ Okay. That was my question.
21	A When I was inside the car, I actually
22	ducked down, me and ducked. And in the
23	process of us ducking, that's when I heard like a
24	second gunshot. And after this, that's when Michael
25	Brown had already ran past the car.
I

1	Q	Let me ask you a question. When you heard
2	that secon	d gunshot, could you see what was going
3	on?	
4	A	Actually, when I heard the second gunshot,
5	to be hone	est, no, ma'am, my head was down.
6	Q	That's what we want is honesty, that's all
7	we went.	
8	A	I understand.
9	Q	You are ducking down inside the car?
10	A	Just like this. (indicating)
11	Q	When you hear the second gunshot?
12	A	Yes, ma'am.
13	Q	You don't know what's really happening at
14	that point	:?
15	A	No, ma'am.
16	Q	Did you see the officer exit his car?
17	A	Actually, once I proceeded to get up and
18	look, that	's when I saw the officer running directly
19	down the s	treet after him.
20	Q	Was that after you heard the second
21	gunshot?	
22	A	Yes, ma'am. Straight down the street.
23	Q	All right. So you saw the officer get out
24	of his car	??
25	A	Actually, I couldn't see him get out of
1

Page 120 his car, I couldn't see him get out. 1 2 Okay. When you, after you ducked down, 3 you heard a second qunshot, once you get back up, 4 you see the officer chasing or running after Michael Brown; is that right? 6 Yes, ma'am. Α 7 And then what do you see? 8 And that's when I proceeded to look out my Α rear view mirror, he was running, shots was fired, I 10 saw Mike Brown turn around facing the officer at 11 this time. Hands was up probably about like this, 12 they weren't all the way up, but they was probably 13 just like this. And that's when I looked at the 14 review mirror, heard about two or three more 15 gunshots, Michael Brown fell to the ground. 16 (indicating) 17 When you say your rear view mirror, are you talking about the mirror that's in the center of 18 19 your window? 20 Α Yes, ma'am. 21 You are not talking about the windows on 22 the outside? 23 No, the window. Α 24 So you are looking behind you at this 25 point?

1	A Yes, ma'am.
2	Q You're parked facing west looking through
3	your rear view window or mirror as they're running
4	this way?
5	A Yes, ma'am.
6	Q Could you tell how far you were, your car
7	was at that point when you saw Michael Brown turn
8	around, how far you were from them?
9	A Uh, actually, no, ma'am.
10	$oldsymbol{Q}$ Okay. All right. So now we want to get
11	more specific about when you saw him turn around.
12	So you heard the second shot, you don't know what
13	was going on, then Michael Brown turns around, can
14	you hear the officer say anything?
15	A No, ma'am.
16	Q Can you hear Michael Brown say anything?
17	A No, ma'am.
18	Q Do you know where Dorian is at this point?
19	A Dorian was actually on the side and at
20	that time, no, ma'am, I didn't even look no more, I
21	didn't look, you know, down.
22	<pre>Q You're watching?</pre>
23	A I'm watching.
24	${f Q}$ Okay. And show us exactly, stand up for
25	us again, please, and show us about how the hands

(indicating) 5 Q So when he turned around, he wasn't staggering or anything? 6 7 Not to my knowledge, no, ma'am. Α 8 Was he coming toward the officer? 0 Α No, ma'am. 10 He wasn't walking towards the officer? Q 11 Α No, ma'am. 12 He wasn't charging the officer? Q 13 No, ma'am. Α 14 All right. And his hands were up? Q 15 Α Just like, like he's trying to throw them 16 They wasn't all the way up like this, they was 17 just turned around like this. (indicating) 18 In your mind, did it appear he was injured 19 or staggering or something? 20 Actually, at that time, no, ma'am. 21 only way I could see is once he just hit, hit the 22 ground. 23 But at the time that the officer 24 fired those successive shots, he had his hands up, 25 was his palms facing, you know, the officer?

1	A	Yes.
2	Q	And the officer shot?
3	A	(Shakes head.)
4	Q	And when you saw the officer get out of
5	the car, w	what was the officer's demeanor, or how was
6	he standir	ng or walking?
7	A	Actually, he was running.
8	Q	Did he have his gun out?
9	A	Drawn, he was running with the gun drawn
10	past the c	car, just drawn. I heard the three shots
11	and that's	s when I saw, and he just fell to the
12	ground.	
13	Q	Okay, all right. Now, at some point,
14	well, two	things. One, at some point I think you
15	told the B	FBI agent, you remember interviewing with
16	them?	
17	A	Yes, ma'am.
18	Q	And the police officer too, I think you
19	interviewe	ed with that day; is that right?
20	A	Just a detective.
21	Q	Detective?
22	A	Yes, ma'am.
23	Q	That you blacked out, at what point did
24	you black	out?
25	A	Actually, when I went down for a short

- 1 period of time, when I hit and I went down, that was
- 2 it. And then I instantly got up and I got to
- 3 looking.
- 4 Q Okay. Describe for us what you mean when
- 5 you say blacked out because that can mean different
- 6 things.
- 7 A Actually, I just went, basically, just
- 8 went blank like. I mean, I can't describe it. It
- 9 was just like, just like a blank like, I could still
- 10 hear, but everything just went blank. I can't even
- 11 explain it. I was in just shock. I probably could
- 12 just say I was more shocked than anything.
- 13 **Q** When you said blacked out, you mean
- 14 shocked?
- 15 **A** Just -- just -- blanked out a little bit.
- 16 I really can't explain it, but I just lost focus, if
- 17 you could just say that, I was just like down a
- 18 little bit.
- 19 Were you aware of what was going on during
- 20 this period that you blacked out as you describe it?
- 21 **A** For a short period of time, no, no, ma'am.
- 22 Q Okay. How short a period of time?
- 23 **A** It was real short, it was short enough to
- 24 where that I could see everything else. It was
- 25 short, it wasn't like I was down there for a long

     mean, after the second shot.
 3
               Okay. After the second shot you blacked
     out for a short period of time?
 4
 5
          Α
             Yeah, a short period.
               Less than five seconds?

 7
               It was short, it was just like a, like a

     shocking type of thing.
               Seconds we're talking?
10
          Α
               Yes, ma'am, seconds.
11
               And then you get back up, you are looking
12
     out the rear view and you see Mike Brown turn around
13
     with his hands up and the officer fires several
14
     shots at him?
15
          Α
              Yes, ma'am.

18
               Actually, he fell to the ground.
     that and basically that's was it, that was it.

20
          Q
               What did you do?
21
               Actually, I took off.
          Α
22
               So when you saw him fall to the ground,

     which way did he fall, how did he fall rather?

3	A Not instantly drove off, but yes, I was
4	driving off. That was when the other officers was
5	coming towards my way.
6	${f Q}$ Were you able to drive with the other
7	officers coming your way?
8	A Yes, ma'am, just up the curb a little bit,
9	I did go up on the sidewalk, up on the curb just a
10	little bit, up on the grass.
11	Q Can you show us on this map?
12	A It was probably like just up on the curb.
13	I know I was close to an apartment building, but
14	just up on a curb like the grass.
15	Q Like around the police car?
16	A Yeah, like around, yes, ma'am because I
17	was blocked in there. So I had to just slide my car
18	just up a little bit and then just take off down the
19	street.
20	Q Okay. So you didn't see the officer
21	shooting at Brown as he was running away?
22	A Um, I know the gun was drawn. That was

4	A	Yes, ma'am.
5	Q	Tell us about that?
6	A	At the time the confrontation is going on.
7	Q	What part of the confrontation?
8	A	When they first started at the SUV. When
9	the first	gunshot, that is when Dorian ran. I guess
10	he ducked	down, I didn't even know where he come
11	from. I	just know when had the door open,

17	Q	That's what he said?
18	A	Yes, ma'am, to me.
19	Q	Had Michael Brown been shot dead at that

21	A	No, ma'am, he wasn't shot dead.
22	Q	Did you give Dorian a ride?

               Okay.
               MS. WHIRLEY: I don't have anything else.
10
               MS. ALIZADEH: I just have a couple of
11
     questions.
12
                (By Ms. Alizadeh) Miss
                                                hi, this
13
     is Kathi Alizadeh. On the day that this happened,
14
     I'm going to move over here so you don't have to
15
     keep looking around. On the day that this happened,
16
     which was a Saturday on August 9th, it was around
17
     the noon hour when this happened, do you recall
18
     that?
19
          Α
               Yes.
20
          Q
               Like middle of the day?
21
          Α
               Yes.
22
               And you left, you got out of there before
          Q
23
     the police could question you; is that right?
24
          Α
               Yes.
25
               And where did you go immediately after
          Q

2	A Actually, that's when I dropped of	f.
3	I took home.	
4	Q So you took him home first?	
5	A Yes, ma'am.	
6	Q And then you mentioned, and I can't	
7	remember if it was today or if it was in your	
8	interview with the FBI, but that you were somewher	е
9	around the area because your parents, or your mom	
10	was, kind of had come to see if you were okay?	
11	A Yes, ma'am.	
12	${f Q}$ Where were you when the police talked to	
13	you that day?	
14	A Actually, I was right where the, well, I	
15	was on Glen Owen. I was like right at this house.	
16	It was right there where Canfield begins coming of	f
17	of West Florissant, I was just at that house right	
18	there.	
19	Q Okay. So you know Canfield Drive goes	
20	through like a residential area?	
21	A Yes, ma'am.	
22	Q Before it hits West Florissant?	
23	A Yes, ma'am.	
24	Q You were somewhere at a house up near We	st
25	Florissant at the intersection of Canfield Drive?

1	A	Yes.
2	Q	And so were you in your car?
3	A	No, ma'am.
4	Q	You were on a friend's porch, I think you
5	said?	
6	A	I don't even know the people, but they did
7	allow me t	to stay there.
8	Q	And so do you remember when the officer
9	talked to	you, it was around after 6:00 in the
10	evening?	
11	A	Yes, ma'am.
12	Q	Okay. So a few hours had passed; is that
13	right?	
14	A	Yes.
15	Q	I know you were probably very scare and
16	frightened	d when this happened, correct?
17	A	Yes.
18	Q	Between the time you saw it and the time
19	that the	county officer talked to you, did you talk
20	to anybody	y else about what you had seen?
21	A	Um, actually, I discussed it with the
22	people tha	at were standing outside.
23	Q	How about , did you and , before
24	you talked	d to the County Police, did you and
25	talk to ea	ach other about what he had seen and what

     you had seen?
 1
 2
          Α
               Oh, no, ma'am, we was just shocked at the
 3
     time and we did discuss that, what we seen that day,
     we did talk about that.
 5
          Q
               Okay. Before you talked to the officers?
               Yes, ma'am.
          Α
 7
                     And so he had told you about what
               Okay.
     he had seen?
 8
               Actually, like I say, we just discussed
          A
10
     the situation that we were just in together.
11
               Okay. In general terms then?
          Q
12
               Yes, ma'am.
          Α
13
               Not like the details we've been going
14
     over?
15
          Α
               No, ma'am, just talking in general.
16
               Now, you know today, don't you, that there
17
     are, there is an issue about whether Michael Brown
18
     had his hands up, such as in a surrendering pose,
19
     versus whether his hands were in some other
20
     position, you know that today, right?
21
          Α
              Yes.
22
              You watch the news?
          Q
23
              (Nods head.)
          Α
24
               Do you take part in any of the activities,
25
     whether it is protesting or anything else or with

     protestors, I don't want to lump them altogether.
                                                          Ι
     know there is a bunch of different factions let's
 5
     say. Do you take a part in any of that?
 6
               Actually, no, ma'am.
          Α
 7
                     But you know from watching the news
 8
     that hands up has kind of been a mantra of the
     people protesting, right?
10
          Α
               Yes.
11
               When you gave your statement to Detective
12
          , just about six hours after this happened, you
     didn't say anything to him about Michael Brown
13
14
     having his hands up. Do you recall that?
15
          Α
               Um, no, ma'am.
16
          Q
               Okay.
17
               I'm not sure.
          Α
18
               Do you remember you were at the FBI and
19
     before they talked to you, did they let you listen
20
     to your statement?
21
          Α
               Yes.
22
               Okay. And did you see a transcript of
          Q
23
     your statement at all?
24
          Α
               Yes.
25
               Okay. And when you listened to your
          Q

     statement and followed along on the transcript, did
 1
 2
     you think the transcript was accurately recording
 3
     your statement?
               Yes.
          Α
 5
               So I'm going to show you, this is a copy
 6
     of the transcript of when you talked to Detective
 7
          . Up here it says August 9th, about 6:40 p.m.
     and it starts out him saying this is Detective
 8
 9
                     It says he's at 9300 West
10
     Florissant. Does this look like the transcript that
11
     you saw when you listened to your statement?
12
               Yes, ma'am.
          Α
13
               Okay. Now, I'm going to direct your
     attention to page seven, and you can look through
14
15
     this all you want. I'm just getting to a point
16
     where you start talking about, oh about halfway, a
17
     little more than halfway down. You are talking
18
     about having seen him get shot at the car and then
19
     you said after he did that, I looked up and now by
20
     this time, I'm looking up because I'm terrified.
21
                    Now, I'm looking up in my rear view
22
     mirror, that's when I see the young man. Well, he
23
     already ran past and then a police officer ran past.
24
     So when I looked up, I saw the young man turn, he
25
     was facing the police officer, he was towards the

 2
                    Did I read that accurately?
 3
               Uh-huh.
          Α
 4
               And then the detective says, Okay. So you
 5
     saw the young man's face?
 6
                    And you say, yes, sir.
 7
                    And he said, but you saw the police
     officer's back.
 8
                    And you say, in my rear view mirror?
10
                    And he says, the officer says okay.
11
                    And then you saw, and I saw I heard
12
     just three more gunshots, I don't know if it was two
13
     or three, I know it dot dot, and I think you are
14
     making the sound of gunshot, right? Dot dot dot.
15
     And then I saw when the young man just hit the
16
     ground. When he hit the ground, I just got terror,
17
     I mean, I was just stunned. And I never seen
18
     nothing like that in my life. So I just end up
19
     proceeding to get away.
20
                    In the process of me getting away,
21
     another truck came to me and almost hit me head-on.
22
                    Did I go over that accurately?
23
               Uh-huh.
          Α
24
               Okay. So, and I know this was very, very,
25
     when I say exciting, I don't mean happy exciting, it

Page 137 was an exciting thing that you saw. And your 1 2 emotions were high, wouldn't you say? 3 (Nods head.) Α 4 So you didn't mention to Detective 5 when he talked to you that Michael Brown had his 6 hands up? 7 Α Okay. 8 And he asked you at the end of your 9 statement is there anything else that you can think 10 of that, you know, that you saw that's important. 11 And you said, no, you didn't think of anything else? 12 Α Uh-huh. 13 Wouldn't it have been important to tell Detective Brown that he had his hands up? 14 15 Α Um, yes. 16 Okay. Let me ask you this. Do you think, I think everybody agrees that our memories change 17 18 over time. Something that I saw, if I go to see a 19 movie, I remember the movie better right after I see 20 it than a year later. I might not remember who 21 starred in it or all the details about it, and I 22 know we're not talking about a year later, but do 23 you understand what I'm talking about, memories 24 changing? 25 Α Yes, ma'am.

Do you think that you didn't tell 1 2 Detective about Michael Brown's hand because 3 you didn't see them that day and now in your head 4 you remember it that way because you have heard 5 people talking about that or did you just not tell 6 him that because it was just too much for you and 7 you were overly excited or what have you? 8 Actually, I'm not going so say that I was 9 In my mind, my mind was gone, like I overexcited. 10 said, I have never seen nothing like that in my 11 life. So, therefore, that was probably something 12 that I didn't mention at the time. But I saw what I 13 saw in the rear view mirror and that's basically all 14 that I can say. 15 Q Okay. And, you know, you and I talked 16 about before you testified, and didn't I tell you 17 all we are trying to do is piece together what 18 everybody saw so we can, so the grand jurors can eventually try to figure out what really happened as 19 20 best as we can without actually having been there 21 ourselves. 22 And so you understand, you believe me 23 when I say I just want you to tell me what you 24 remember and tell the truth. I'm not trying to get 25 you to change what you have to say, or change your

2	that you didn't mention to Detective about
3	Michael Brown's hands being up?
4	A Yes.
5	Q But today as you sit here today, in your
6	mind you remember Michael Brown's hands being up?
7	A Yes.
8	Q Okay. Do you recall, I'm sorry, I stepped
9	out of the room for a time when your statement to
10	the FBI was playing, when you made your statement to
11	the FBI, did you tell them everything that you could
12	remember?
13	A Um, to my knowledge.
14	Q Okay.
15	A To the best of my knowledge I did.
16	Q Okay.
17	MS. ALIZADEH: I don't have anything else.
18	I guess
19	we're at the point you were behind the police
20	officer and you said he puts his car in reverse. At
21	that point did he ever put his siren on?
22	A No, sir.
23	Or lights?
24	A Nothing.

     coming, did they have sirens on?
 3
          Α
               Yes, they did.
                                Okay.
 5
                                                 When the
 6
     officer put his car in reverse to kind of, I think
 7
     you said kind of cut off the two men, did he spin
 8
     his tires, did you hear the tires squealing at that
     point?
10
               It just went to like a halt, just like a
11
     stop, just a sudden stop.
12
                                It wasn't real aggressive
13
     backwards then where the tires were spinning?
14
          Α
               Actually, when he went back to reverse, it
15
     was pretty quick. It was a fast reverse, like you
16
     hit your accelerator and hit the brakes, just
17
     quickly.
18
                                Okay.
                                       And in your rear
19
     view mirror, were there other vehicles lined up
20
     behind you at that point after the officer ran past
21
     you and you saw the shooting, were there other cars
22
     immediately behind you that might be partially
23
     blocking your view or anything?
24
               To my knowledge, no, no, sir.
          Α
25
                                       Thank you.
                                Okay.

5	A Actually it was, uh, can you get me up out
6	of here, it is pretty crazy around here.
7	You think the scene being
8	crazy or a certain person being crazy?
9	A Actually, the scene.
10	Okay.
11	On page seven it also
12	says that the police officer, when I the saw young
13	man turn, he was facing the police officer, he was
14	towards the police officer. And Detective
15	asked you, so you saw the young man's face. You
16	said, yes, sir. What did you what did you see
17	his expression, did he look scared or angry? I know
18	you said he didn't walk toward him, but what kind of
19	facial expression did you see?
20	A Actually, it was just a shock like.
21	He didn't look

23	A It was just like, just shock like.

I probably will say it was probably about 4 three, three to four cars distance. 5 6 Three or four cars? 7 Α Yes. 8 From three to four cars, 9 maybe double the size of this room, maybe double 10 this room. 11 Α Right, to where, probably about, like I 12 say, probably about three. 13 You can see his face completely in the rear view mirror? 14 15 In the rear view mirror, yes, ma'am. It 16 was far that I could see his face. 17 Um, a couple of questions. The first question is when 18 19 Dorian stooped down at your car and asked to get in, 20 did you see anything in his hands? 21 At that time, no, ma'am. Α 22 Second question is, when 23 the officer came back at a fast speed and he stopped 24 instantly, um, how long can you say the seconds was 25 when you thought there was a confrontation going on.

     Did it start immediately or?
 2
          Α
               It was immediately.
 3
          Q
               Immediately?
 4
          Α
               Immediately after that, after the car did
 5
     that, made the complete stop.
 6
                             : Okay. That's it.
 7
                                          From your
 8
     perspective, would you say the officer used, I'll
     let you use the description, what amount of force
10
     would you say the officer used in this situation?
11
          Α
               Um, excessive force.
12
                             : Okay.
13
                                                 When you
     sat down with Detective
14
                                  , is it safe to say he
15
     never asked you where Michael Brown's hands were?
16
               Correct, that's correct. He never really
          Α
17
     asked me that question.
18
                                                      In

                                               question,
     if I heard you correctly, you said that the officer
20
21
     did use excessive force; is that correct?
22
               Yes, ma'am.
          Α
23
                             : Can you tell me why you

     feel that way.
25
          Α

    because it was after he chased him down, that's

    where my actions come in, when he chased after him,
 3
    that's what I mean by excessive force because he was
     running away from him.
 5
                               Okay. So after he ran
     away from him and then the second shots, or the
7
     second series of shots, okay. And are you saying
 8
     after that there shouldn't have been any more shots?
               Actually, I'm saying once he ran away and
10
     got a nice little distance, there shouldn't have
11
    been any more shots.
12
                            : Okay.
13
                                         Just to clarify
    one question, when gave his statement to the
14
15
    County, they asked him about after Wilson had moved
16
    past the car and
                           brought up that there were
17
    two or three, up to four cars behind you.
18
     started lining up after that, but you are saying
19
     there were no cars behind you?
20
          Α
               I didn't see any cars.
21
                                            I have a
22
     question about after what she said. You are looking
23
     at all of this through the rear view mirror, right?
24
               Yes, ma'am.
         Α
25
                             : So you said excessive

     force and you said that after he ran away there
 2
     should have been no more shots. What do you think
 3
     should have happened, do you think he should have
     let Michael Brown just run away? You didn't hear
 5
     anything being said like stop or you didn't hear
 6
     what was going on.
 7
               Halt, none of that.
          Α
 8
                              : You didn't see the
 9
     tussle, so you don't know what happened. Do you
10
     feel like the police officer should have just let
11
     Michael Brown run away and get away and not try to
12
     stop him even if he did break the law?
13
               In somewhat, and the reason why I say that
          Α
     is because if he would have let him get away, if he
14
15
     was shot at any time, he would have been found. Had
16
     the police have swarmed in, they would have got him
17
     even if he would have run, even if he would have got
18
     away, they would have captured him.
19
                                So you feel like he would
20
     have gotten away and then they would have captured
21
     him and he would have been arrested, not killed?
22
               Yes, ma'am, that's my purpose, yes, ma'am.
          Α
23
                                Okay.
24
               MS. ALIZADEH: Any other questions?
25

     I'm clear, and I'm clear with what you said about

     the hands up, but that's the absolute truth here
 3
     today is what you're saying, you just didn't make
     this up today?
 4
 5
          Α
               No, ma'am, no, ma'am, not at all.
 6
               MS. WHIRLEY: Okay, all right. I don't
 7
     have anything else.
 8
               MS. ALIZADEH: Any other questions? All
 9
     right. This witness is concluded.
10
               (This is the end of
11
     testimony.)
12
               MS. WHIRLEY: All right. Again, it is
13
     October 13th of 2014, it is approximately 1:15 p.m.
14
     We're starting our afternoon session with testimony
15
     regarding the shooting of Michael Brown. I'm Sheila
16
     Whirley, Kathi Alizadeh will be in shortly, grand
17
     jurors are here and
                               is here.
               I'm passing around the transcript of the
18
     next witness' statement. His name is
19
20
     and his name is spelled correctly on the transcript.
21
     His recorded statement is marked as Grand Jury
22
     Exhibit Number 17.
23
                          (Grand Jury Exhibit Number 17
24
                         marked for identification.)
25
               MS. WHIRLEY: Once they are passed around,
```

Page 147
     we'll stop the recording and , you can pause
 1
 2
     that recording since we have a transcript.
 3
               (Playing of the interview of
             )
 5
               MS. WHIRLEY: We're going to play this
     witness' second statement,
 6
                                             , is also
7
     from Grand Jury Exhibit Number 17.
 8
                                          Do we know the
 9
     correct date and time this first one we just
10
     listened to took place?
11
               MS. ALIZADEH: No, I will have to get that
12
     information for you.
13
                               Okay.
14
               (Playing the interview of
                                                       . )
15
               MS. WHIRLEY: Now we're going to play, it
16
     may take just a minute, I'm not sure how cooperative
17
     the equipment is going to be, but we're going to
     play his media interview. I'm not sure if these are
18
     video or audio, so I need to figure that out first.
19
20
     This is on Grand Jury Exhibit Number 3.
21
               (Audio clips are being played at this
22
     time.)
23
               MS. WHIRLEY: So the three video clips
24
     that we call were from Grand Jury Exhibit Number 39,
25
     and they were from KTVI, two of them, the first two
```

```
Page 148
     clips and the third clip was a clip with Anderson
 1
 2
     Cooper. I'm not exactly certain of the dates that
 3
     it occurred. It looks like 8/12 for the first
     video, 9/8, which is September the 8th for the
 5
     second and September the 10th for the third. So
 6
     that will conclude that from Grand Jury Exhibit
 7
     Number 39.
 8
               MS. ALIZADEH: I just want to point out
 9
     that there is a fourth clip on there that you can
10
           If you can see the file up there. That clip
11
     is basically some attorneys and some news reporters
12
     kind of commenting on the statements that were made
13
     and again, it is really not evidence and we don't
14
     really, I don't feel it is helpful to have other
15
     persons' perspectives what they think these
16
     statements mean. So we did not play that last clip
17
              It really isn't a statement of a witness.
     for you.
18
               MS. WHIRLEY: Okay.
19
               MS. ALIZADEH: I think we're ready to
20
     call, we're going to call the next witness,
21

          Α
               No, I was raised in North Dakota.
23
               So how long have you lived in the St.
24

	1	Q	What do you do for a living?
	2	A	Retaining walls and brick patios,
	3	landscapi	ng work.
	4	Q	And is a lot of times your work outdoor
	5	work?	
	6	A	Just about all of it.
	7	Q	Do you work for a company or do you work
	8	for yours	self?
	9	A	For a company. I was commercial forever
	10	and I war	ted to get out of the commercial, so I went
	11	to a smal	ler company to do back yards and stuff.
	12	Q	So were you working for the same company
	13	back in A	august of this year?
	14	A	Yeah, the same one I'm with now, yes.
	15	Q	Okay. How is it that you get assigned or
	16	how is it	tit's determined that you are going to go
	17	to a cert	ain location and do a job?
	18	A	They just tell us where to go.
	19	Q	Someone in the company assigns out
	20	A	The boss.
	21	Q	The boss assigns the work?
	22	A	Yeah.
	23	Q	Okay. And so you were assigned in early
	24	August to	do some work at an apartment complex in
	25	Ferguson	called Canfield Green Apartments?

Page 151 1 Α Yes, I was. 2 Now, you were present at that apartment 3 complex on the day that Michael Brown was shot; is that right? 4 5 Α Yes, I was. 6 So we know now that that date was 0 7 August 9th. How many days prior to that, if any, 8 were you actually there at the complex working? I believe that was my fourth day there. 10 Q Okay. And so what were you doing at the 11 apartment complex, what was the job you were doing? 12 Installing plastic gutters to bring the 13 rain water out of the gutters further away from the 14 building so it would stop flooding the bottom 15 floors. 16 Were you working by yourself or was there Q 17 someone else on the job with you? 18 Most of the week there was like four of us 19 there and then Saturday it was just me and one other 20 guy. 21 All right. So the shooting happened on a 22 Saturday and you were working that day? 23 Α Yes. 24 And is that typical that you would be 25 working on a Saturday?

	2	Q	So there is enough work that you need to
	3	work on Sa	aturdays to get stuff done?
	4	A	Yeah.
	5	Q	Would that be fair to say?
	6	A	Yes.
	7	Q	And so when you were working on that
	8	Saturday,	who was working with you?
	9	A	My laborer whose name is
	10	Q	Had you worked with him before that day?
	11	A	Just those first few days I was there. I
	12	knew him,	but I didn't work with him. Those were my
	13	first day:	s working with him.
	14	Q	So the Ferguson job, I will call it, the
	15	Canfield	Green Job, that was the first job you had
	16	ever work	ed with ?
	17	A	Yes.
	18	Q	How long had you known before that?
	19	A	I'd known of him for probably a week, two
	20	weeks.	
	21	Q	Okay. Would you say at this time on the
	22	9th, were	you and friends or were you just
	23	co-worker:	s?
	24	A	We were getting to know each other kind of

4	A I believe in I don't have any
5	idea where though. He said it was close by the shop
6	is all I know.
7	Q So he also lives in or
8	south ?
9	A I believe so.
10	Q You've never been to his house?
11	A No.
12	Q Has he ever been to your house?
13	A No.
14	Q And so on this particular day, um, you
15	were doing work. Had you ever been to the Canfield
16	Green Apartment Complex before this job?
17	A No.
18	Q Were you familiar with the Ferguson area?
19	A The only thing in Ferguson I ever went to
20	work at was the Emerson Electric building. I
21	replaced some pavers over there probably eight or
22	nine years ago.
23	Q So you said you had been working up at the
24	apartments for a few days, like four days or five
25	days?

               I believe it was four days, it might have

               Prior to August 9th, did you know any of

 8
               Would you see people on the street and
          0
 9

10

12

               Okay.

               What about Ferguson police officers, did
16
     you know any Ferguson police officers at that time?

          Α
               No, ma'am.
18
               Do you have any police officers in your

	12	Right after that, I went back to
	13	digging, that's when Michael stopped. I didn't know
	14	his name at the time. He was just some guy stopping
	15	wanting to talk.
	16	${f Q}$ And you now know that the person that you
	17	are talking about being Michael, that's the person
	18	who got shot and killed that day?
	19	A Yes.
	20	${f Q}$ Had you seen him in the complex before he
	21	stopped to talk to you?
	22	A No, I did not.
	23	${f Q}$ So the first time you ever had contact
	24	with him was when he stopped and to talked?
	25	A Yes.

1	Q Where was when Michael stopped to
2	talk with you?
3	A was over looking at these other ones
4	and digging up like this one, adding to this one and
5	adding to this one. We were kind of trying to stay
6	in the same little areas and run those four out and
7	move to the next area and run those four out.
8	${f Q}$ Okay. So when Michael stopped to talk to
9	you, was he alone or was he with somebody?
10	A He was alone when he come out.
11	Q So describe him for me, what did he look
12	like first off?
13	A He just looked like a big guy. When I
14	first seen him I thought he was 25 to 30 years old
15	or something. And was asking me why I was so angry,
16	I told him I was digging through big roots with a
17	shovel and a hatchet.
18	Q Were you angry?
19	A I was pretty angry, those were some big
20	roots.
21	Q Why do you think he picked up on the fact
22	you were angry?
23	A A little bit of cussing and swearing going
24	on and changing tools, trying to find a sharper
25	shovel, mad because my chain saw wouldn't start.

               So do you think you were loud enough that

 3
          Α
               I tried not to cuss real loud for people
     to hear, but after you come outside, you can here
 5
     it.
          Q
               So where did he come out from you say he

     came outside?
 8
               On the, he came down the steps on the
     northwest staircase. I don't know which building or
10
     which --
11
              Which apartment unit?

              Out of the side is the side he came

17
               Okay. About what time of day was this, do

               No.
24
          Q
               Do you normally wear a watch?

Page 161 1 How do you tell time? Q 2 Α Uh, mostly my laborers tell me what time 3 I have a clock on my phone, but I don't it is. 4 really look at my phone too much. 5 Q So when you say it was around 11:00, is that like your best guess or had you recently looked 7 at the clock? 8 No, when all of that went down and then I looked at the clock to see when it is over with. 10 thought it took this long to get a machine and I 11 don't know, it was like 11:30 or 12:00, I can't 12 remember the exact time. 13 Okay. When you saw Michael Brown, he was 14 coming down the steps? 15 Α No, when I first saw him he was standing 16 next to my truck looking at me. 17 So you just mentioned earlier you saw him 18 emerge from an apartment, or emerge from some place, did you see him --19 20 Α That's where he went up. 21 Q. Okay. 22 I didn't see him come out of there, but 23 that's where he went up. He said he was going back 24 up to his apartment. 25 Let's start with you first saw him. Q.

Α 7 And you said he was a big kid? 8 He was bigger than I am, I looked up when Α I talked to him. 10 Q He was standing and you stood next to him? 11 Α When I'd get up to try to grab a different 12 tool, I'd stand by him. 13 How take tall are you? About 5'11". 14 Α 15 Q At the time --16 At the time he looked like he was 25 to Α 17 30. I didn't find out until later he was, you know. 18 An African-American? 19 Α Yes. 20 Q How was he dressed when you saw him? 21 Just some easy going shorts, I believe a 22 white shirt and he had these yellow socks with pot 23 leafs on them. 24 Did you notice he had a hat on? I was still digging at the roots. 19 20 get up and say something and then I'd get back down. 21 Was he standing the whole time --Q. 22 Α Yes. 23 He didn't like sit on the ground or like 24 sit on a step? 25 Α No.

3	A Not that time, no.
4	${f Q}$ Did you ever see him do anything other

6	A No, just talking.
7	${f Q}$ All right. So you mention he had talked
8	about Jesus Christ helping you with anger problem,
9	any other things that you recall about the
10	conversation?
11	A That would have been it. I thought he

9	A No, right when I was getting ready to come

12	Q So let's back up. So Michael was there

14	A And then he had to go up into the

16	Q So he leaves, where does he go?

6	A He probably heard some of it. Towards the

8	Q That would be when you say he?
9	A Yes.
10	${f Q}$ So then you said Michael ran up the stairs

13	A Yes.

20	A He's an African-American kid. He was

23	A Yes.
24	Q And skinnier than you.

- 7 they said that's who it was. I didn't really stare
- 8 at him and they walked right by me when they were

- 14 **A** No.
- So did the two of them, Michael and this

- 18 **A** Yes.
- 19 **Q** And so did they have to pass you or did
- 20 they walk past you?
- 21 **A** They came out and were heading to the

1	A Correct.

3	A Michael had just a little bit of marijuana
4	and he was rolling it up in like a newspaper, not a

16	Q So you didn't see any like baggy or

19	${f Q}$ And so the stuff that you saw in the paper
20	looked like marijuana to you?
21	A Yes.
22	$oldsymbol{Q}$ And the paper you said was like regular

               Yes.
 8
               As if they were going to be walking up

He had just dug 5 that out and we dug this one out. 6 He, meaning Q 7 . And I was cleaning the crumbs Α 8 out of that back hole when I heard the first pop. 9 Q Okay. 10 Α By then was getting out of the 11 machine, and I got up and walked over to my truck 12 and I asked , did you hear that? And he said, 13 yeah, it sounded like a qunshot. Then all of the 14 sudden by the time I got to my truck there was 15 another one. By that time that pop happened, he was 16 back by my truck with me. I don't think he was next 17 to me yet. 18 Now let me back up. So when you're over 19 in this area and you are now working in a different 20 hole and digging the crumbs out as you said. 21 Α Yes.

22 \mathbf{Q} Did you notice anything going on over

23 here, did you notice a police car or any other

24 vehicle or anything?

25 **A** No. When I heard that pop, I looked that

2	Q	Okay.
3	A	There was nothing.
4	Q	So nothing drew your attention to this
5	area befo	ere that?
6	A	Not before that until that first pop.
7	Q	Okay. And so you said was also in
8	this gene	eral area?
9	A	He was just getting out of the machine
10	right the	ere. (indicating)
11	Q	What kind of machine are you talking
12	about?	
13	A	Like a Bobcat, but it's a Mustang. We
14	call it a	Bobcat, but it's not, it's a Mustang.
15	Q	So it is a smaller earth moving
16	A	Front end loader.
17	Q	Does it make noise when it's turned on?
18	A	Yeah.
19	Q	Was it somewhat loud?
20	A	Yeah.
21	Q	Was it on when the pop happened?
22	A	No, he was just getting off of it, he was
23	all done.	
24	Q	Okay. So he had turned it off?
25	A	Yeah.

1	Q What about, let me ask you, ,
2	how is your hearing?
3	A Pretty good.
4	Q What about your eyesight?
5	A My eyesight is, I have to wear these
6	glasses.
7	Q Okay. So were you wearing your glasses
8	that day?
9	A Yes.
10	Q And when you wear your glasses, is your
11	eyesight good?
12	A I believe it is pretty good. They say it
13	is not 20/20 but they try to get it as close as they
14	can.
15	Q Why do you wear glasses?
16	A Stigmatism.
17	Q It is not that you need them to read?
18	A Oh, yeah.
19	Q I wear reading glasses, but I can see far
20	away. You wear them all the time; is that right?
21	A Yes.
22	${f Q}$ And you need them to read things far away?
23	A And close up.
24	$oldsymbol{Q}$ And close up. So on this day you said you
25	heard a pop?

	Page 178
1	A Yes.
2	Q Before this day, had you ever heard
3	gunshots?
4	A I've heard gunshots, but it didn't sound
5	like that. I've heard shotguns and .22's.
6	Q What did it sound like to you?
7	A Just a pop. I mean, like a firecracker.
8	Q Did you look in the direction of the pop?
9	A Yes.
10	Q Use the pointer and point out where you
11	thought the pop was coming from?
12	A I thought it was coming from over here,
13	that's why I turned my head and looked. And then he
14	started coming, started coming out of the
15	machine, so we started walking over to my truck,
16	that was right here. By the time we got to my truck
17	and then there was a second one.
18	$oldsymbol{Q}$ Okay. How much time do you think there
19	was between the first pop and the second pop?
20	A Barely a minute.
21	Q Between the two pops did you see anything?
22	A No.
23	Q And then you said you heard a second pop,
24	what happened then after you heard the second pop?
25	A Then said that does sound like a

As he fell to the ground, he 4 5 caught hisself with one hand and then turned around 6 and threw his hands up and started yelling, said 7 okay. 8 So let's back up. So you are looking in that direction because you had heard the pops. 10 Α Yeah, when said that does sound like 11 a gunshot, then we said, they're shooting at that 12 guy. 13 So you are already looking in that Q direction when you see Michael come running? 14 15 Α Yes. 16 Did you see what was going on before he 17 came running? 18 No, the building is blocking it. 19 Okay. So you didn't see anything until 20 something comes around that building area? 21 My line of sight was from right here. Α 22 (indicating) 23 Okay. So point to where you first saw Q 24 Michael, where was he? 25 Α Coming right from around this building

              Was he in the street, on the grass, on the

     sidewalk?
               In the street.
          Α
          Q
               In the street, okay. And so --
              Here again, I believe he was on the
          Α
7
              That mountain right there is pretty high
 8
     where I couldn't really see the street.
               So this is an elevated area; is that
10
     right, this is a little hill?
11
          Α
               Yes.
12
               Okay. So you believe he was in the
     street, but you couldn't see the street from where
13
14
     you were?
15
          Α
               Huh-uh.
16
               Assuming his feet are on the street, I
17
     mean, if you can't see his feet in the street, I
     assume you can't see his feet?
18
19
          Α
               No.
20
          Q
               So how much of his body could see from
21
     that hill?
22
               At least a little bit below his knees.
          Α
23
               Okay. So when you first saw him, you said
24
     he was running?

               He was staggering running, falling down

So when you first saw him, you didn't recognize him as the guy? 8 Α No. 10 And so you said, okay. Then he was 11 running or staggering. Did you believe that he was 12 injured at that point? 13 I had thought that beings he was tripping Α and falling like that, that he had been shot. 14 15 Q Okay. 16 Then he figured I've been shot once, I 17 better give up, so that's what he was trying to do. 18 So let's back up. So you figure he must 19 have been shot? Yeah, I don't know for sure. 20 Α 21 Okay. And you figured that based upon the Q 22 fact --23 He was tripping and falling. Α 24 He was tripping and falling. Now, you didn't know if he had shoes on his foot at that 25

- 1 point?
- 2 A I didn't know he had shoes on until after
- 3 we were leaving the job and then I seen the red hat
- 4 and the shoes laying on the ground.
- 5 Q So you couldn't see his feet at that point
- where he is running or tripping or falling toward
- 7 you in your direction? And is he running toward you
- 8 or is he running in this direction? (indicating)
- 9 A No, he was running straight down the
- 10 street.
- 11 Q Straight down the street.
- 12 As soon as he cleared that building where
- 13 I could see him, that's when he just kind of almost
- 14 fell, almost fell down and caught himself and stood
- 15 back up.
- Did he actually, did his knees or his
- 17 hands touch the ground?
- 18 A See, I don't know if his hand, I know he
- 19 put his hand down, I couldn't see the rest. I don't
- 20 know if his hand touched the ground or not.
- 21 **Q** Okay.
- 22 **A** I know he put his hand down, which I
- 23 thought maybe caught his balance and then turn and
- 24 faced the officer.
- 25 **Q** About how far did you see him from the

Q Α Oh, that was about 25 feet probably. 6 Q Okay. And then you said you thought he 7 was staggering because he was hit or shot? 8 Yes. Α And at this point, did you believe that 10 those were gunshots you heard? 11 Α I don't know what I believed. I believe 12 said those are gunshots. that 13 Okay. Q 14 Α And then as soon he staggered and fell 15 like that, that's when the officers came. 16 Okay. So could you see blood anywhere on Q 17 Michael? 18 Α No. 19 All right. So you say he was staggering 20 and fell, but caught himself in a way, right? 21 Yes, and turned around. Α 22 He didn't totally fall? Q 23 No, he didn't fall, he caught himself and 24 stood back up and tried to get back up from what I 25 hear.

Page 184 When he fell, was he still facing in your 1 2 direction, or had he turned around? 3 No, when he fell, he turned away from me Α 4 and then stood up. 5 Q Okay. So when he turned away from you, what direction was he facing? 7 It was almost like a full circle. Α 8 turned all the way around to face the officer. You said to face the officer? 10 Α No, that way he was facing, I guess, west 11 almost, like a northwest on Canfield. 12 Okay. So he was facing in that direction Q 13 like looking up the street? 14 Α Yes. 15 Q And at this point, let me ask you this, 16 when he was coming toward you, could you see his 17 face? 18 Α No. 19 And is it because you couldn't see his 20 face, it was too far away? 21 Too far, I believe. Α 22 Okay. Now, you said that he staggers, 23 kind of falls, but catches himself, but he turns 24 180 degrees around? 25 Α Yeah.

Page 185 1 And then what happens? Q 2 Α And then he throws his arms up and starts 3 yelling, okay. And within a couple of seconds the three officers came up and the one just pulled up 5 and shot him. 6 Okay. Let's back up. When you say he Q 7 kind of staggered down and then he was turning 8 I'm going to ask you to stand up so we can 9 see what you're going to demonstrate here. 10 Show me with your hands and body how 11 you saw him turn around? 12 From the fall? Α 13 After he staggered and then you said he 14 then kind of caught himself and then stood up? 15 Α It was almost like he was falling to the 16 ground and then came like that, and then just 17 started yelling okay, like that. (indicating) 18 Okay. Q 19 When he caught himself like that, he was 20 still trying to catch himself, but he was coming 21 towards the officer, but he wasn't, I mean, I think 22 he was still, that's what I thought he was shot and 23 then he was still trying to catch his balance. 24 Okay. So when you saw him as he was Q. 25 turning around kind of coming back up, you said he

2	A Yeah, as soon as he started coming back

4	Q Okay. He was yelling okay?
5	A Yes.
6	Q Did you hear anybody, before he yelled
7	okay, did you hear anybody else say anything?
8	A I heard nothing else.
9	${f Q}$ All right. So you just, if you can stand
10	up again and put your hands up the way you saw his
11	hands up?
12	A I got this side view of him, so he was
13	kind of leaning forward a little bit, but his hands
14	were up like that. (indicating)
15	Q So I've got to describe this since we
16	don't have a video of this or picture. So you're

20	Q And so you're standing with your arms up?
21	A And out a little.
22	${f Q}$ And out forward a little bit, palms are

Page 187 1 would that be fair to say? 2 Α Yes. 3 Okay. And so, but you said that he was Q kind of moving forward or bent forward? 4 5 Α When he came up from catching himself, he 6 came up and was probably still trying to catch 7 himself, but he was coming forward when he was 8 yelling. Okay. And you heard him say okay, okay, 0 okay, okay? 10 11 Α About seven or eight times. 12 You can sit down. He's facing away from Q you at that point; is that right? 13 14 I'm looking at his side. Α 15 Q Okay. And you just motioned onto, from 16 your right side? 17 Yes, it would be his right side. 18 Okay. 19 I'm getting the side view of him, not the Α 20 front or the back. 21 Okay. And when he turned around or at any 22 point yet have you seen any injuries or have you 23 seen blood on him anywhere? 24 Α No. 25 When he put his hands up, did you see Q

     blood on his hands or anything in his hands?
 2
          Α
               No.
 3
               And he's facing away from you at that
          Q
     point, right?
          Α
               Yeah.
          Q
               Okay. Do you remember?
 7
               Just facing the side.
          Α
 8
               Okay.
          0
          Α
               I didn't have a back view or anything.
10
               So now at this point, I'm talking now
11
     about right at the point where now he's turned
     around, had you seen any police officers yet?
12
13
          A
               Not yet.
14
               All right. And you heard two gunshots at
15
     that point, correct?
16
          Α
               Yes.
17
               And so then from the time you saw Michael,
     first saw him in your view to the time he turned
18
19
     around, did you hear any gunshots?
20
          Α
               Not after the second one.
21
               Okay.
          Q
22
               So no.
          Α
23
               At some point, like I said, he's turned
24
     around and at some point you see police?
25
          Α
               Yes.

	1	Q So describe what you see when you say you
	2	saw three police officers?
	3	A Yeah, there was one in the front with his
	4	gun out and pointed down at the ground and then two
	5	more were just coming in behind. They didn't have
	6	their guns drawn.
	7	Q Okay. Were these uniformed officers?
	8	A Yes.
	9	Q All three of them?
	10	A Yes.
	11	Q So you said there was one that had his gun
	12	out, but pointed down?
	13	A Yeah, come walking towards him.
	14	Q So where is he, is he in the street, on
	15	the grass?
	16	A All three of them are in the street.
	17	Q Is there one officer that's closer to
	18	Michael than the other two at that point?
	19	A Just the one with the gun. The other two
	20	were back about five or six feet, seven feet.
	21	Q And the other two on either side of him,
	22	the officer with the gun?
	23	A No.
	24	Q So where are they?
	25	A They are just behind him.

Page 190 Okay. So if the officer with the gun were 1 2 to stand and look forward? 3 There would be one on each side in the Α back about five or six feet back. 4 5 Q Okay. And so did you hear any of those 6 three officers at this point say anything? 7 No, I didn't. Α 8 And then you recognized them as police officers because of their uniforms, is that fair to 10 say? 11 Α Yes. 12 You hadn't seen them before that day Q 13 though? 14 No, I don't really, an officer could drive Α 15 by me and I wouldn't recognize him the next day. 16 Okay. But you hadn't seen them in the Q 17 complex earlier doing things that day or anything? 18 Α No. 19 And so when you saw these three officers, 20 describe physically the one that had the gun drawn? 21 What I saw, I thought it was either gray 22 headed or blond headed, marine haircut and a little 23 heavier set than the others. 24 How about, use yourself as reference 25 point. Do you think he was taller than you?

Gore Perry Reporting and Video FAX 314-241-6750 314-241-6750

Page 191 Uh, I would maybe say he might have been 1 2 an inch or two taller than me or the same size. 3 And you are 5'11"? Q Α Yes. 5 Q Was he your build, skinner --He was chubby, but a bigger guy. I don't Α 7 think he was chubby, but then I think he had a vest 8 on too, and I think that makes them look a little bigger too. 10 Q Okay. And about how old did you think he 11 was? 12 The officer, I didn't even have a guess, Α but his hair was either gray or blond. 13 So he didn't have a hat on? 14 Q 15 Α No. 16 What about the other two officers, what Q 17 did they look like, were they all white, all three 18 of them white? 19 Α Yes. 20 Q Okay. What did the other two officers 21 look like? 22 One had dark hair and a mustache from what Α 23 I remember and then the other one, I didn't know if 24 it was a woman cop or a little, a little, new little 25 boy cop, or a young, I don't know, like that.

Page 192 The other one you are describing was 1 2 smaller built? 3 Yeah, a lot smaller. Α Could have been a women? 5 Α Yeah, and then when we were driving out, 6 when I looked over and seen Michael's shoes, there 7 was a woman cop there. That would lead me to 8 believe it was a woman cop. Did you recognize her when you were 10 leaving as the woman you saw? 11 Α No. 12 So you are just kind of thinking that Q 13 might be the same one? 14 I just, I didn't know. Yeah, I would just 15 think. I couldn't honestly say. 16 Okay. And remember when I said it is okay Q 17 for you to like guess or assume things so long as we explain why you think those things? 18 19 Α Yeah. 20 You really can't say that female police 21 officer that you saw was the same officer that you 22 described that might be a woman? 23 Yeah, well, it all happened so fast and Α 24 then they were out of there. I can only catch just 25 a little bit, you know. I'm not even real sure the

So after you say you saw 6 Michael turn around and he had his hands in the 7 manner that you demonstrated and he said okay, okay, 8 okay, okay, several times and then you see these three officers, are they coming down the street? 10 Α Yes. 11 And how are they moving, are they are 12 running, walking? 13 Pretty swift. They weren't running, but Α 14 it was a pretty quick walk. 15 Q And you said that the officer that was in 16 front had his weapon drawn and you were kind of with 17 your motion with your hands like this somewhat? 18 (indicating) 19 Yeah, he was pointing it down towards the 20 street until he got within about 10 feet of Michael. 21 Did these three officers continue to move 22 in Michael's direction? 23 The two slowed down when he started Α 24 shooting. 25 When who started shooting, the officer Q

After the one officer's gun emptied, the Α other guy pulled his gun for probably a couple of seconds until Michael fell. Once he fell then they put it away and whisked the other guy out of there. Okay. So now as you say the other officers were moving swiftly toward Michael and Michael had turned around. Α Yes. Did Michael move in a direction? Α He was still catching his balance from standing up and he was coming towards him, but it wasn't like he was running towards him. Okay. How many steps did he take towards the officers? Α By the time the shot was, I'd say about four, maybe five to catch up on his balance.

13	Q And then what happened after he moved

15	A Then the officers got up to him.
16	Q What does that mean?
17	A Well, by that time the officer was there,
18	as soon as the officer got there, I didn't hear the
19	officer say anything because he was yelling okay and
20	then just pulled up and started shooting.
21	${f Q}$ So the officer you're talking about who
22	pulled up and started shooting was the one who had
23	his gun drawn?
24	A Yes.
25	${f Q}$ So how close was he to Michael Brown when

FAX 314-241-6750

Page 196 1 you saw him starting to shoot? 2 About 10 foot when he started and about Α 3 five to seven feet when he ended. How many, now this is after those first 4 Q two shots, this is the second? 5 6 This would have been the third, fourth, 7 fifth, sixth. 8 Okay. How many shots do you think at that time? 10 I think it was seven, and the reason I 11 think that is most officers carry guns with nine 12 bullets. So if there was two to start with and then 13 he emptied his gun, that would have been seven. 14 Okay. So, now, this is where I don't want Q 15 you to get into assuming things. 16 Α Okay. 17 I can tell you that his gun didn't carry nine bullets? 18 19 Α Okay. 20 Q So don't get stuck on a number --21 Α Oh, no, no, no. 22 -- or make an assumption. Think in your Q 23 head how many shots you think you heard? 24 Α My first guess was six or seven, when I 25 first --

1	Q	Okay.
2	A	wrote down on that piece of paper, I
3	think I wro	ote down six or seven.
4	Q	All right. And so was there, were these
5	six and se	ven shots one after another?
6	A	Real quick.
7	Q	Or was there a pause?
8	A	Real quick.
9	Q	So it wasn't like three and then pause and
10	then three	more or six or four more?
11	A	Real quick. All of that happened so fast,
12	I think I	was probably in shock at what I just
13	witnessed a	and I didn't know what to think was going
14	on.	
15	Q	So when Michael, when the officer started
16	shooting,	did you see Michael Brown get hit with
17	bullets?	
18	A	Yes.
19	Q 2	And why do you say that?
20	A 1	Because I seen stuff spraying.
21	Q	Okay.
22	A I	My eyes were focused on the smoke coming
23	out of the	gun and the back of him just, to this day
24	stills both	her me looking at that.
25	Q]	Now, you know that you have made a

Page 198 previous statement where you said you saw his shirt 1 2 and that you saw the bullets going through him 3 because you saw his shirt pop or something like 4 that. Did you think that you saw bullets coming out 5 of his back? That's what I thought. Α 7 Okay. Do you think that today? 8 I don't know what I think today. Because Α I still, I've never seen somebody get shot before 10 and when I watch it on TV they make all of these 11 crazy movements when they get shot. He didn't make 12 one single movement. It was like the bullets went 13 right through him and he didn't know they were going 14 through him. 15 Q Okay. But did you see bullets come out of 16 his back? 17 I didn't see the bullets. I seen what looked like might have been. 18 19 Okay. But now you know that there were no 20 injuries, bullet holes on his back, don't you? 21 I don't know that, no. Α 22 Now, you've heard about the autopsy that Q 23 was on the news, correct? 24 They said six holes, that's all I know. Α 25 Did you ever see that on the news? Q

1	A I think I saw that in the newspaper.
2	Q Okay.
3	A I didn't see it on the news, but I seen
4	like the headline on the newspaper, parents do
5	autopsy or something like that.
6	${f Q}$ Okay. And so, at some point you read that
7	there was no bullet holes in his back, right?
8	A I didn't read that at all. I have no
9	idea. That's what it looked like. What got me he
10	wasn't moving, it didn't bother him.
11	Q Okay.
12	A I was more confused than I was anything.
13	Q And I understand this happens very
14	quickly, right?
15	A Yeah.
16	Q It is something you're not expecting, kind
17	of catches you offguard, right?
18	A Yes.
19	Q And it is very important and I understand
20	that sometimes you think you see something and then
21	maybe you realize that you didn't actually see it or
22	what have you, but my point is, at some point you
23	had described it as if the bullets were coming out
24	of his back?
25	A That's what I swore I saw.

1	Q Okay. But you now know
2	A You believe I wrote that on my first thing
3	I wrote down. I mean, I believe that's what I saw.
4	Q Okay. I'm not doubting that you believe
5	that that's what you saw?
6	A I know. That's what confuses me too. The
7	more stuff you hear, that's why my fiancee won't let
8	me watch the news any more.
9	Q But you now know, don't you, that there
10	were no bullet holes in his back?
11	A I know because you told me.
12	Q Okay.
13	A That's why I only knew there were only six
14	holes.
15	Q And you had mentioned earlier that you had
16	talked to the FBI this morning?
17	A Yes.
18	Q And they talked to you for a couple hours,
19	right?
20	A Yes.
21	Q And did they record you by the way?
22	A Yes.
23	Q Okay. During that conversation, did they
24	ask you if maybe you've kind of changed your opinion
25	about whether there were bullet holes in his back

Page 201 And you admitted that that's possible, Yeah, I changed my thought on a lot of it after you hear things. It is not really my thought, it is, I think, when it first happened, I was more in shock on what I saw. And now when you have time to give it time to get out of your head for a while,

11 Q Sure. But my point being is that, you

because you learned at some point --

- 16 Α Yes.
- 17 Because there were no bullet holes, I'm

If I was 14 talking to anybody, it would have been my fiancee. 15 Q So you could see on the video that you had 16 a cell phone? 17 You can't really see the cell phone, but what else are you doing when you have your hand up 18 19 like that. 20 Q Okay. 1	A	Here is the other half of it.
2	Q	You recognize that is your handwriting; is
3	that righ	nt?
4	A	Yes.
5	Q	So this says at the top, witness cop
6	shooting	8/9/14, when did you write that?
7	A	Approximately 35 or 40 minutes afterwards.
8	Q	Okay.
9	A	Maybe even an hour.
10	Q	So on the same day?
11	A	Yes.
12	Q	Well, let's back up then. Before we get
13	to you wr	riting that statement. So you actually see
14	Michael E	Brown fall?
15	A	No, I did not see him fall.
16	Q	Okay. And why not, did you look away?
17	A	No, he staggered forward and then was out
18	of the si	ght going around that building.
19	Q	When you lost sight of Michael Brown
20	because h	ne was beyond the building, were the
21	gunshots	still going off at that point?
22	A	No.
23	Q	The gunshots had stopped?
24	A	Yes.
25	Q	And so did you ever walk down to where his

(indicating) Q Did you walk there or drive there? 6 We were driving out over here, but this 7 was blocked off by a firetruck. Then we had to come 8 back around over here and there was kind of some congestion right there. So and I walked over 10 to here, that's when I gave somebody my card that I 11 thought was the kid in the red car, but I wasn't 12 That's where I could see his hat and shoes, 13 and I could see the body laying there, I still 14 didn't know that it was Michael, the guy that I 15 talked to. 16 Okay. So when you went back down to the Q 17 street, let's go back then. Michael is out of your 18 vision before he falls to the ground? 19 Α Yes. 20 When is it you see the officers walking 21 towards him and shooting? 22 They shot him first and he stumbled Α 23 forward. 24 Did he stumble past them? Q 25 Α No, they were backing up with him as he

Page 207 was going. And then the officers went out of sight 1 2 and he went out of sight. 3 At some point they are moving swiftly towards him and then they began to back up? 4 5 Α He was stumbling forward. 6 All right. And were they firing when they Q 7 were moving forward? 8 Uh --Α The one officer? 0 10 Α That officer probably took one or two 11 steps maybe while he was firing. The other ones had 12 stopped. 13 So when the officer who was firing, when he started to move backwards, did he walk backward 14 15 or did he turn around and go backward? 16 He was walking backwards and that's when Α 17 the other guy just took his gun out and then they 18 went out of sight. I didn't see anything else after 19 that until we put all of our stuff away. 20 So you said he might have taken a couple 21 of steps while he was firing, moving forward? 22 Yeah, it looked like he was about 10 feet Α 23 away, but by the time he got finished, it was like eight to seven, seven to eight feet away from him, 24 25 six feet away.

3	A When the gun emptied.
4	$oldsymbol{Q}$ Was he still in your sight when the gun
5	emptied?
6	A Yes.
7	Q How do you know the gun emptied?
8	A I don't know if it emptied, he just

10	Q Rather than make that assumption?
11	A Okay, okay, you're right.
12	Q Let's just say he stopped shooting?
13	A He stopped shooting.
14	Q And so you could see the officer when the
15	shooting stopped?
16	A Yes.
17	Q So how is it that he can move backwards
18	out of your sight then?
19	A Everything started moving that way. There
20	was only like about 15 or 20 foot window of my sight
21	before they went behind that building.
22	Q All right. So Michael Brown then after
23	the shooting stopped, he continued to move in the

25	A Yes.

7	maybe 30.
8	${f Q}$ Okay. Did you hear any shots after that?
9	A No.
10	${f Q}$ Okay. The officer stopped firing, you see
11	Michael Brown continuing to move in the direction
12	that the officers had come from, so somewhere around
13	here? (indicating)
14	A Yeah.
15	Q About 25 to 30 feet and then he's out of
16	your sight?
17	A Yeah, when they went around the back of
18	that building, I didn't see anything again. Two
19	minutes later, the other officer with the mustache
20	came out with the tape and started taping off the
21	whole thing.
22	Q Two officers that were on either side of

24	A Yeah.
25	Q Did they move back with the officer?

Page 210 Yeah, they stayed back a little bit when 1 2 he got up to him. They were like seven, eight feet 3 back already. Then when he started staggering forward, then they all move back. Q Okay. Those two were out of my sight real fast. 7 Did you ever see the officer after he 8 backed up and he was out of your sight after that? The one that did the shooting, did I ever A 10 see him again? No. 11 You don't know where he went or what 12 happened to him? 13 I don't know. Somebody said they whisked Α 14 him out of there. 15 Q You didn't see that? 16 No, I didn't see that. Α 17 What about the other two officers, did you 0 see them again? 18 19 He was there taping all the stuff off for a while and dealing with a lot of angry people. 20 21 That's when I saw a female cop there and by then 22 there was the firetruck there, five or six more 23 officers. 24 Is that when you are up here? 25 Α Yes.

Α Uh-huh. 15 Q 16 Α Maybe three minutes. 17 So the video where we see you standing there going like this in the pink shirt, are you 18 still in this area when that video is taking. 19 20 Α Yeah, that was pretty quick after. 21 Okay. Α 8 You saw him getting shot? 0 Α Yes. 10 Q Okay. You estimated that as more like 15? 11 Yeah, I just figured it take them 15 12 minutes to walk over there and get that and come 13 back. Basically that's what I think that took. Now, let's talk about the statement that 14 Q 15 you write there. 16 Α Okay. 17 And you said that a friend of yours or a former boss had told you to go ahead and write it 18 19 down? 20 Α Yes. 21 Have you seen it before today? Q. 22 I haven't read it since I wrote it. Α 23 Okay. Since I don't want to, you know, 24 you have got decent handwriting. I don't want to 25 misread something since it is in your handwriting.

Page 217 1 Can you read out loud what you have given in that 2 statement starting with up at the top, witness cop 3 shooting 8/9/14. Witness cop shooting 8/9/14, 12:00. 4 Α Talked with victim for 25 or 30 minutes about God. 5 6 He says the Lord Jesus Christ will help me with my, 7 through my problems. And he said he was going to 8 the store and he would be back. Then I heard a pop, thought nothing, 10 then I heard another and looked over and saw the 11 victim stumbling and running through gunfire, 12 figured that he was running from who had the gun. 13 Then he threw his hands up and yelled okay, okay, and the police officer who said 14 15 nothing emptied his gun into the guy. I believe 16 seven more at close range. 17 What happened before the first two, I don't know, but from when, from when he said that he 18 19 would be back, I would say 25 to 30 minutes, that's 20 what I changed when I talked to 21 Okay. Q. 22 Minutes passed before shots fired. 23 So the 25 to 30 minutes that you write on 24 there, that was something that you changed because 25 had talked to you about?

Page 218 1 Yeah, I told him it was 15, he said no. 2 So someone else kind of, after talking to 3 someone else, you kind of changed your thought on that? 4 5 Α Yeah. I circled it to remind myself I 6 changed that. 7 Okay. And because I'm not sure because 8 nobody's name is on here, is this a map that you did? 10 Α Yeah -- no, this is what, when we started 11 out that morning, this is where we crossed off that 12 we finished. 13 Q Okay. This was something where we were working 14 Α 15 too. I don't think there is anything on here but 16 work. 17 Okay. Q 18 I don't know what that is. Α 19 Q Okay. 20 Α When we were working our way around to get 21 over here. 22 Okay. Α You spoke to an officer? Q 10 Α Or detective. 11 Q Pardon me? 12 Α A detective. 13 And that was a county detective, correct? Q 14 Α St. Louis County, yes. 15 Q And then after that you talked to another 16 county detective, correct? 17 Yeah, that was a ways later though. 18 So just so, on that, did you talk to an officer on the day of the shooing at like maybe 19 20 10:00 at night? 21 That would have been , I believe.                And then after that conversation you, as

          Α

Α I believe you when you told me that. 10 So my question to you is, is that when you Q 11 initially talked to the police the first couple of 12 times, you didn't say anything in those first two 13 statements about Michael having the marijuana that 14 you saw that he had and that he was going to go to 15 the store and buy a blunt or something of that 16 nature. You didn't mention that or a conversation 17 about wax or anything like that. Why did you not 18 mention that when you first talked to the police? 19 I don't know. The FBI asked me that 20 question too. I probably didn't feel that I needed 21 to stick him into the ground what little bit of 22 marijuana he had, I didn't think that was that much. 23 So you just didn't think that was a big 24 deal or relevant? 25 Α I didn't think so.

Α 17 They were asking you a lot of questions about the marijuana and the wax and stuff like that; 18 19 is that right? 20 Α Yes. 21 And that was all stuff you hadn't told 22 them before, right? 23 No, they had to find that out themselves, 24 I quess. 25 And so that interview with them, did you Q.

And then all of the sudden all 16 the chaos with people calling and, you know, I 17 believe the first couple days I was more in shock 18 than anything. And then going home and arguing with 19 the wife because I should have just not said 20 anything. 21 And you believe that you should have not 22 said anything? 23 I don't truly believe, but then again, 24 I've been accused of not thinking before I talk.                Oh, I don't know. I think over the time,
13
     my thought on the whole thing has gotten softer.
14
               What do you mean by that?
          Q
15
          A
               I don't, I don't know what happened to
16
     start with. But something had to happen for an
17
     officer to shoot at somebody. So I don't know, I
18
     don't know what happened.
19
          Q
               Okay.
20
          Α
               You know, I just saw the officer shoot.

24
               So regardless, I mean, there is all kind
25
     of possibilities as to what could have happened, but

Α 8 But you're only assuming that? I would assume that, I never did go check 10 his weapon, no. I would have just --11 So those are things that you just are, you 12 always assume because of what you might know about guns and so forth? 13 14 That and when I wrote that Α Yeah. 15 statement down, I was probably in shock. 16 Q Okay. 17 Just thinking about what I saw. 18 And the same thing with the shot that you 19 saw fired, you at the time were assuming something 20 and now maybe you think that that wasn't correct? 21 That's what I thought I saw. Α 22 Okay. Q 23 If that didn't happen, I still can't take that back because that's what I thought I saw. 24 25 Right. And I told you, you're to testify Q

ALIZADEH: I don't have any more 8 questions. (By Ms. Whirley) I believe in your 10 statement you said you saw the bullets went right 11 through him, I could see his shirt popping back. 12 What did that mean to you, did that mean they were going through his back or popping back in the front 13 or what did that mean? 14 15 Α I just assumed when he was shooting that 16 close they were going out the back and it seemed 17 like everything, but within two or three seconds, or 18 whatever, four seconds, it was all done and over and 19 they were heading the other way. So I just assumed 20 that. 21 Did you ever see the officer shooting at 22 Michael Brown while he was running and he had his 23 back to the officer? 24 No. Α 25 Okay. 7	Q Did he seer	n like he was in an agitated

9	A No.	
10	Q That he was	s like pissed off or something?
11	A No, it just	seemed like he was a little

14	Q Did you see	e him with a weapon?
15	A No.

22	A The one that	at did the shooting, I saw him.

7	A	I didn't ever see any blood.
8	Q	Okay. You could see shots happening?
9	A	What it looked like, I could just see

12	Q	Okay. You're gesturing towards his head?
13	A	I assumed that because when you are that

4	A Not until the one officer was taping off

6	Q And that officer yelled that Michael Brown
7	is a threat, is what you assumed he was saying?
8	A And he was telling that to the kid in the

10	Q Okay.
11	A The kid or the guy, I don't really know

13	Q Now you said you heard Michael Brown say,

17	Q He was yelling it very loudly?
18	A Yes.
19	Q And you couldn't hear the officer say

21	officer say anything, maybe the officer wasn't
22	yelling as loud as he was.

               All right.
12
               MS. WHIRLEY: I don't have anything else.
13
               MS. ALIZADEH: Just real quickly.

                                             , you had

15
     said something interesting just now, you said
16
     something about he didn't have a weapon because he
17
     didn't have any pockets, and you are talking about
18
     Michael?
               Yeah, Michael. I don't know what you call
19
          Α
     them, wear around the house shorts, just comfortable
20
21
     shorts.
22
               MS. ALIZADEH: Did he change clothes from
23
     the first time you saw him, until the shooting?
24
          Α
               I don't believe so.

- 1 clothes?
- 2 **A** I don't even remember what color his shirt
- 3 was. I just remember the shorts were gray.
- 4 MS. ALIZADEH: So now, if I were to tell
- 5 you that, you know, of course we know what shorts he
- 6 had on when he was shot because, of course, those
- 7 clothes have been seized. If I were to tell you
- 8 that his shorts had pockets in them, does that
- 9 change your opinion of when you said he couldn't of
- 10 had a weapon because he didn't have any pockets.
- 11 **A** That wouldn't change my theory on that
- 12 because they were those really light, you know, soft
- 13 towel looking shorts, I believe. Where there is no
- 14 thread to tie them. I didn't look in there, but I
- 15 wouldn't think you could put a gun in there. I
- 16 don't have a pistol, I don't own a gun.
- 17 **Q** (By Ms. Alizadeh) Do you know what cargo
- 18 shorts are, khakis, cargo?
- 19 **A** I don't think that's what he was wearing.
- 20 He might have been, I mean really, I don't think
- 21 that's what he was wearing.
- 22 Q Okay. But when you saw him, and trust me,
- 23 I'm not saying he had a weapon, we now know he
- 24 didn't have a weapon, my question is, when you saw
- 25 him, you just said that he didn't have a weapon

- 1 because he didn't have any shorts with pockets in
- 2 them?
- 3 A Oh, when you ask if he had a weapon, I
- 4 would say no because I don't think those shorts
- 5 would be able to hold it.
- 6 **Q** Okay.
- 7 **A** But then again, you know.
- 8 Q But that's an assumption on your part,
- 9 right?
- 10 A Okay, all right. I see where you are
- 11 going, I understand.
- 12 **Q** So we don't know, and like you said, we
- don't know what happened before you saw him run past
- 14 that building into your view, correct?
- 15 A Yes. So then I just say, I didn't
- 16 physically see a weapon on him.
- 17 **Q** Okay.
- 18 MS. WHIRLEY: So when the officer, when
- 19 Michael Brown turned around and was staggering as
- 20 you said, moving toward the officer, did it appear
- 21 to you that he was charging the officer?
- 22 A No, it appears to me that he was just
- 23 catching his balance. That's when I thought, where
- 24 I assumed again that he had been hit with the second
- 25 shot, which I don't know.

 8
     going to go on there. I have seen people that have
     been high on marijuana and this is not meant to be
10
     funny, sometimes it is hard to tell the difference
11
     between high and being slow because that's what it
12
     does, it slows you down, it makes you mellow. Could
13
     that have been, you assumed he was slow because you
14
     didn't know whether or not he had smoked, was there
15
     something that made you think he was slow versus
16
     high?
17
               No, I just didn't feel he was high.

20
                                 It was just the

     impression you got at the time, he was slow and not
22
     high at the time?
23
               I mean, he may have been, I would just

                                                   and
 6
     then today you indicated that you were working
7
                So I'm wanting to verify where you were

     when you saw this?
               When he got back with the machine, he
10
     started right here, he dug the first scoop, took the
11
     second scoop right there and the third one right

     over here, and then got off, parked the machine and
13
     my truck was parked right there. (indicating)

                    is right there.
20
                                 Right.
21
               I already cleaned that out while he was
          Α
22
     working right there.
23
                                 Okay. So you were
24
     working there to begin with and then you moved over
25
     here?

               All we were doing, he would come through
 2
     with the bucket, pop it in the ground and scoop a
 3
     little out. I clean the loose stuff out and we add
     a little piece of pipe to it to get it further away
 4
     from the building.
 6
                                Can I ask you how fast
 7
     those Mustangs go?
 8
               Five to seven miles an hour.
 9
                              : How far is it from where
10
     you were to where his truck was?
11
               He parked here and he had to go out this
12
     way. I don't know how far that is. (indicating)
13
                               A little bit ago you said
14
     maybe two or three minutes. If it goes at the very
15
     most 5 miles an hour, it would have been probably at
16
     least five minutes, right?
17
               I don't know.
18
                                Okay.
                                      That's okay, I'm
19
     just trying figure out what happened.
20
               I know by the time he got over there with
21
     the machine, I already had the pipes out of my truck
22
     and put away so he could just park that and get
23
     right into his car.
24
                                I have another question.
25
     You said, no, this is in the very first interview.
```

Page 247 No, he had his hands up, he was just kind of taking 1 2 the shots, this is on page four. And then they 3 asked, and once he was empty, then the bad cop 4 pulled his gun and just staggered forward and 5 dropped to his face. 6 In this interview you say you saw Michael 7 drop to his face, but today you say didn't see, you 8 saw him leave, you didn't see Michael drop to his face, correct? 10 I saw Michael laying on the ground, so I 11 assume that he fell on his face. 12 So you didn't see him 13 drop to his face? I didn't see him fall. When I came around 14 A 15 and gave that kid a card, I could see him laying on 16 his face. 17 When you said I think he was dead on his feet and just fell forward, that was 18 19 an assumption? I don't know if he was dead. 20 Α 21 Okay. One more question, 22 I'm sorry. 23 That's okay. 24 You said in your initial 25 two interviews, you said that the police officer was

	1	walking forward and stopped and at one point you
	2	said 8 feet and another one you said about 5 feet
	3	and then shot him.
	4	In the media interview and today, you
	5	mention that the cop had his gun drawn and was
	6	walking backward. I'm just trying to figure out was
	7	me stopped?
	8	A He had it down and was walking toward him.
	9	He started shooting at about 10 feet or so.
	10	Okay.
	11	A By the time he stopped shooting was about
	12	6, 7 feet, 8 feet.
	13	When you talked here and
	14	said he was backing up.
	15	A I was doing a lot of assuming apparently
	16	from what I'm learning today.
	17	I don't blame you, I
	18	assume all the time, but I'm just
	19	A When he stopped shooting, that's when they
	20	started backing up.
	21	He started backing up
	22	after he stopped shooting?
	23	A After the shots and then I never heard
	24	another shot after that.
	25	This is the last one, I

     five of the August 18th interview. You said I think
 3
     when I first seen him stumbling, fall, come out of
     that building, what building, I'm confused?
 5
          Α
               When he come out of the building, come out
     from behind the building. By the time the second
7
     shot went off, he all of the sudden appeared out of
 8
     nowhere from around that building.
                                 Michael did?
10
          Α
               Yes.
11
                                And then you saw the
12
     police officers?
13
          Α
               Yes, after he got turned around.
14
                                 You saw three of them?
15
          Α
               Yes.
16
                                 One of them had their gun
17
     drawn --
18
          Α
               Just one.
19
                                 The other one drew his
20
     gun later, you didn't know if it was a boy or girl,
21
     never drew his or her gun?
22
          Α
               No.
23
                                 All right, thank you.

     I can give
                      a call and see if he would be good

7
     that you want to ask now and if you think of

     something later, we'll see what we can do about
