Dr. [REDACTED] and [REDACTED] can review the VP, they are both EIAO trained. Dr. [REDACTED] usually does provide feedback.

Thanks,

All,
I have no problem with reviewing Dr. [REDACTED] completed verification plan, but usually the EIAO (in this case Dr. [REDACTED] and the FLS (as the PHV's supervisor) would be the first ones to provide feedback if the plans were inadequate. Please let me know if you would like me to review the verification plans. Thanks,

Ms. Symons,

Good morning! I was wondering if you had a chance to review the verification plan documents for Est. 07299 Wks 47 and 48? If you are satisfied with the level of detail in the comments, could you please let me know. I would like to print and sign those weeks for your file, as well as make any necessary changes to this current week's comments.

Thank you very much,

I did review those and found no issues. As far as I'm concerned, if you don't hear from me, it's all good.
