Hi Dr. Wagner,

I had a feeling Mr. De Los Santos was not going to be happy with this since this will be the second time this has happened in the last couple of months. I feel Dr. [REDACTED] observations are very solid as well.

Thanks.

Hi [REDACTED]

I talked to her. De Los Santos is not happy, but I think we are solid on this one. Thanks

Hi Anna.

Sorry I missed your email this morning. I haven't been feeling good all day so I've been in bed.

Do you still need Dr. [REDACTED] number? I have a cell number for her.
