Subject: 07299 humane handling verification plan week 10

Good morning.

Attached is the week 10 verification plan for 07299. The training performed was only verified for Mr. Eddie De Los Santos. I was covering the patrol assignment and did not do further review to determine if other employees were also trained. I will perform additional verification this week. Also, there was an issue with the grain of ammunition. Eddie De Los Santos demonstrated a [REDACTED] and I showed him the company response stating a [REDACTED] was specifically listed. Rick De Los Santos and I discussed this during the weekly meeting on Friday 3/9, and he reported he would be contacting DO to make the change from [REDACTED]

Thank you,
