I'm sure you're receiving hundreds of faxes showing all the untruths in Sue Wallis' letter to you, so I won't keep repeating them. I do want to say that myself plus thousands of other taxpayers & voters are AGAINST USDA inspections at horse slaughter plants in the US, not only for morally ethical reasons, but at a time when your budgets are being cut, do not use our tax dollars to inspect FOREIGN-OWNED operations....use our tax dollars to keep the US food supply of cattle, pork, chicken & turkey, etc. SAFE. Barbara Leonard, [REDACTED]
