I checked the file and for some reason I neglected to make a copy before I sent the drawings to FLS Dr. [REDACTED] I talked to Dr. [REDACTED] and he said he never received them. He is going to contact the owner and request that copies be emailed to me. I probably won't get it until Monday and will forward it then. Sorry.

Steven, the attached application for grant for Responsible Transportation in Sigourney IA says "see attachment" in block 16 on the first page. I need to get a copy of the attachment. Can you find it and scan/email to me?
