Subject: Responsible Transportation

Good Morning Dr. Gilmore,

I hope you had a good holiday weekend. Just a quick update on Responsible Transportation: as they continue to make progress daily. Construction is in the very final stages on the kill floor, and sanitation of the facility is to begin today or tomorrow. We are still on target to perform the final walk through on Thursday, May 30th. The walk through is scheduled to begin at approximately 10:00 am CDT. Thanks.
