Good afternoon Medeana.

If you use the date when I called Glenda with the message for the date that they validated their HACCP plans that will work just fine. Thanks. Dr. Woodworth

I'm working my way through my pile of Grant stuff, and found the message from Glenda saying you had called and said to go ahead with their regular Grant of Inspection. I'm supposed to have something in writing for the file. Could you just send me an e-mail indicating the date they validated their HACCP Plan? Thanks.
