**Subject:** Rains Natural Meats Gallatin MO, update

Good Morning Dr. Clarkson,

During the walk through, ask Mr. Rains again for a general water permit from the MO Department of Natural Resources Water Protection Program. It is a regulatory requirement, 304.2(c)(1), and we will need one prior to a grant of inspection. If he has one, we can contact Ms. Sappington with the details and determine the discrepancy. Thank You Dr. Clarkson.
