Subject: Rains Natural Meats Gallatin MO, Update

Good Afternoon Dr. Gilmore,

Dr. Clarkson and Dr. Trout visited Rains Natural Meats today to perform a "final" walkthrough. I do know the establishment requested a voluntary extension to its 120 day voluntary suspension while it is waiting on its grant for horse slaughter. I do not know the findings from the visit; the doctors are writing up their report and I will get it to you ASAP. That is all.
