

AUTHORIZATION CERTIFICATE

The response to this information collection is voluntary. This information is needed before FSIS can grant approval to manufacture brands or other marking devices bearing official inspection legends. This information is used to control and monitor the brands or devices to prevent them from being illegally manufactured. (9 CFR Parts 317.3 (b) and 381.131 (b)(1))

This certificate, when signed by an authorized representative of the Administrator, authorizes the making of brands or other devices bearing official inspection legends.
