This is OK with Mr Rains so long as it is USDA APHIS and FSIS personnel only.

Good Afternoon Dr. Clarkson,

Would you ask Mr. Rains if he would mind a group of FSIS IPP visiting his plant next Wednesday (July 10th, 2013)? The APHIS personnel performing the training on the 9th would like to visit the plant and review the live holding conditions at EST 20575. Also, could you tell me how long it takes to drive from Jefferson City to Gallatin? Thank You.
