Subject: Rains Natural Meats Gallatin MO, update

Good Afternoon Dr. Gilmore,

I made two attempts to contact the MO DNR and speak with someone who could tell me the status of the Rains application for a "general water permit". I was told both times that someone would call me back. I never received a response. Dr. Clarkson visited Rains today and completed gathering information for the FSIS application file. The status of Rains' application has not changed since our last contact. That is all.
