Subject: Rains Natural Meats Gallatin MO, update

Good Afternoon Dr. Gilmore,

Dr. Clarkson spoke with David Rains and the MO DNR inspection of the lagoon scheduled for last Thursday did NOT happen. He said the appointment was made for 1:00 pm and the MO DNR inspector called him at noon and informed him that someone in Jefferson City had called it off again. The inspector was in Gallatin when he was called and told NOT to proceed. He told David that it may be rescheduled for next week.

The status of the application for Rains Natural Meats has not changed since our last contact. That is all.
