**Subject:** Rains Natural Meats Gallatin MO, update

Good Morning,

FLS Dr. Clarkson called and relayed a message and request from Mr. Rains. Mr. Rains is meeting with the assistant general counsel for the MO DNR next week with legal representation. Mr. Rains asked Dr. Clarkson if he was available and could be present at the meeting. Dr. Clarkson gave Mr. Rains the OPACE number and the names of Carol Blake and Aaron Lavallee. We understand that Mr. Rains is looking for an FSIS subject matter expert to attend the meeting and address issues if asked.

The status if Rains application has not changed since our last contact. That is all.
