<<20130917130917076.pdf>> Sheila and tom: good news, the usda has approved our application for a grant of inspection . I just sent this letter to Mr. Kiecker and Rains has asked Dr. Clarkston for inspectors. I trust FSIS will now issue the written grant so we can proceed. If and when a judge enjoins rains is not your issue. Each day you delay cost Rains thousands of dollars. Since we have met all requirements, as DOJ has stated, the issuance is nondiscretionary . Please do your job and issue the written grant immediately. Dan Erdel The message is ready to be sent with the following file or link

RE: Rains Natural Meats - GRANT OF INSPECTION

Dear Mr. Kiecker:

I represent Rains Natural Meats in Gallatin, Missouri. We have been notified Rains Natural Meats has met all statutory and regulatory requirements for a grant of inspection for the slaughter of horses for human consumption and interstate commerce pursuant to the Federal Meat Inspection Act ("FMIA"), 21-U.S.C. Sect. 601-625, at its facility in Gallatin, Missouri. FSIS is now in a position to issue the grant of inspections for Rains Natural Meats as required by the FMIA.

Rains Natural Meats is ready to commence operations tomorrow morning at 8 a.m. Demand is hereby made upon you as a representative of the USDA and the FSIS to issue a grant of inspection today so business operations can commence tomorrow morning or as quickly as inspectors can be assigned by FSIS.

My client trusts you will have an inspector at its facility tomorrow morning and if that is impossible to schedule then Thursday morning.

Sincerely yours,

BRETT, ERDEL, OWINGS & TANZEY, P.C.
